

# Coffee CAMP

Collective Visions Community Program

The Coffee Visions Podcast proudly presents **'COFFEE CAMP'**. Coffee Camp will include a campsite map of freshly roasted, super delightful, and tasty local coffee shops around the Greater Cincinnati area.

**COFFEE CAMP SUPPORTS LOCAL SMALL BUSINESSES** and promotes delicious pastries, coffee, and drinks they have to offer along the way. Please visit [collective-visions.org](http://collective-visions.org) for more information and ☕ current local coffee shops that will be staying at our campsite with us. You can also get your **CAMPSITE MAP!**

As part of **COFFEE CAMP** we will be talking everything coffee and more on our Coffee Visions podcast with the shops staying with us!

We do coffee camp once a month to discuss program ideas and brainstorm. Coffee camps are also community small group settings we send out invites to as requested...
