Personal Exploration of
Community Interests
Development of Natural Supports
Sports, Recreation & Leisure
Arts, Media & Entertainment
Community Workshops
Self-Advocacy
DIY Projects

CVCP provides 100% community-based services where individuals can explore interests through community projects, classes, educational opportunities, activities, volunteer participation, and more... We assist individuals with developing natural community supports and building strong healthy relationships while delivering innovative life enriching opportunities. We work daily on building and maintaining community relationships with businesses, universities, and organizations in the Greater Cincinnati area.
