Kara Di Dio Speech Pathology is a paediatric private practice in Traralgon, Gippsland. We are a small supportive team of 5 Speech Pathologists, admin support and allied health assistants. We aim to support Gippsland families to enable their children to grow and thrive through access to innovative, personable and high quality speech pathology services.

We work within the clinic setting, schools, kindergartens and childcare centres across the Latrobe Valley region. We have well established relationships with other allied health disciplines in the local area, offering a collaborative approach to our client's care.

### About the Role

We are looking for an engaging and motivated team member to take on either a part time or full time position. New graduates and experienced clinicians are encouraged to apply. The position can be tailored to best meet your needs and areas of interest. Positions will be remunerated accordingly.

### What We Can Offer You

- A friendly, supportive and innovative environment.
- Flexible working options to suit you. Fancy a three day weekend? Done!
- Attractive remuneration.
- All resources provided including lap top, iPad, and mobile phone allowance.
- Generous opportunities for paid professional development in your areas of interests
- In-house professional development on topics of your interest
- Professional supervision both within the clinic and externally
- Regular peer mentoring within the team

- Full administration support

### What will you do at Kara Di Dio Speech Pathology?

- Provide personalised and engaging paediatric speech pathology services to assess, diagnose and manage clients with communication disorders
- Use a range of different service delivery models including one-on-one, telehealth and small groups across various settings
- Continue to grow and be challenged in your role as a clinician
- Adhere to Kara Di Dio Speech Pathology's policies, procedures and guidelines
- Enjoy coming to work! We offer a realistic caseload. There is no expectation to work outside of your scheduled hours!

### Desired Criteria

- Bachelor of Speech Pathology (or equivalent)
- Current Speech Pathology Australia Membership with Certified Practising Speech Pathologist status
- Ability to work flexibly and independently within various service models and across various locations
- Excellent communication skills with the ability to adapt to suit the target audience
- Experience working with children with Autism Spectrum Disorders
- Demonstrate a continuous commitment to professional development and willingness to learn as part of a team
- Eligibility for Medicare Provider Status
- Current Working with Children Check
- Current Victorian drivers' licence with access to your own reliable and comprehensively insured vehicle during business hours.

If this sounds like an exciting opportunity for you, please email us ([kara@karadidiospeechpathology.com](mailto:kara@karadidiospeechpathology.com)) with a cover letter outlining your experience as a speech pathologist and your resume (including 2 referees).

We look forward to your application!
