AUGUST 2021

LIVE ENTERTAINMENT IN SEPTEMBER.

Friday Harbour is pleased to continue our vibrant live music program in September! Stroll the Promenade and shop the latest fashion and home décor trends as local musicians curate a soundtrack for the last days of summer. Enjoy a meal al fresco or relax and savour a cool beverage overlooking the shores of Lake Simcoe in Innisfil. Visit our marina partners and inquire about sailing, boating or jet ski rentals. Experience a golfer's paradise at The Nest Golf Club, designed by award-winning golf course architect Doug Carrick. Take advantage of your remaining summer days and create lasting memories with friends and family.

FRIDAY HARBOUR FASHION COLLECTIVE SERIES.

Friday Harbour recently hosted the very successful Fashion Collective Series in partnership with CAFA (The Canadian Arts & Fashion Awards). The Pier was transformed into a fashion runway showcasing collections from established and emerging Canadian designers including Steven Lejambe, NARCES, RVNG Couture, Christopher Bates and many more. Programming also included a live pop-up retail market where brands exhibited their apparel, accessories, and lifestyle products along the Promenade. Stay tuned for future events by following us on our official social platforms!
