Dear SRHS Sharks Football Supporters:

On behalf of the Sebastian River High School Football Program, we are excited to begin preparations for the upcoming 2023 football season. The team's Head Coach, Tyrone Perry, has been a coach for over 25 years and has always had a vision of this program being *bigger than football*. Over the past 7 years alone, SRHS has had 46 graduating seniors go on to play football at the collegiate level. Coach Perry, his staff, and SRGA are always working extremely hard to put together the best team to represent the school, this community, and its families.

It is because of the support of our sponsors and community that over the past two years, SRGA was able to send over 50 student athletes to specialty camps, hold in house camps during the off season, participate in 7v7 tournaments, purchase new uniforms and helmets, provide practice wear and welcome packages, upgrade equipment and software for filming games and building highlights, award 9 student athletes scholarships totaling \$7,000, purchase new training equipment, and give back to other sports programs within the school, in addition to many other things.

Our goals moving forward are to increase the numbers of student athletes that receive the Coach's Education Scholarship, purchase new game day jerseys, both home and away, upgrade more of the training equipment, send athletes to specialty camps, and continue to give back to the community and other sports programs within SRHS. Sponsorships also ensure that all players, regardless of economic status, have opportunities to compete and enjoy participating at a higher level. **In order to achieve these goals, we need your help!**

By becoming a SRGA sponsor, in support of the SRHS Football Program, you'll also have a captive audience exposed to your marketing message on an ongoing basis throughout the season. There are several different sponsorship levels to choose from, and your support will allow us to continue building relationships that go far beyond the football field. *We thank you in advance for your consideration and look forward to working with you.*
