# HOW TO USE THE PRACTICE SCHEDULE FORM

1. **Print** out the Practice Schedule form.
2. **Find** the best time each day for your child to practice and write it on the Practice Schedule. You can include other events such as music lessons, homework, school, or dance parties.
3. **Fill in** the "Materials Checklist" with items your child will need for practice to be successful (i.e. music books, tuner, practice chart).
4. **Post** the Practice Schedule in an area where your child practices or in a central location like the refrigerator.
5. When your child's schedule changes, simply print out another form.
