

TOP 15
WAYS TO

Inspire Kids to Make Music

BATHE YOUR CHILD IN MUSIC!

Most
Important!

1. Play music everywhere, every day.
2. Sing with your child.
3. Take your child to hear **live music**, especially the instrument your child plays.
4. Give your child the ability to play recorded music by themselves (i.e. records).
5. Show your child videos and movies of musicians.
6. Dance with your child.
7. Have your child attend a music camp.
8. Make up silly songs or "sing your instructions."
9. Attend a friend's music lesson or performance.
10. Host a jam session or music party.
11. Have your child play their instrument or sing for a relative.
12. Play music you enjoy and tell your child why you love it.
13. Make a musical family ritual like creating a playlist for road trips.
14. Find a great music teacher or mentor for your child.
15. Find ways for your child to make music with others.
