## MINUTES OF MEETING (Non-verbatim)

### 1. Chairman's Role

CW Following the resignation by email of David Blissett, our Chairman, I'd like to quickly discuss the role. To continue to operate, we must have a Chairman. I am putting myself forward for the role of Chairman until the AGM in October. Are Committee happy to agree to this?

All Yes.

MM What do we do about the role of Rally Officer?

CW We can continue to operate without a Rally Officer. The rally programme between now and the AGM is set. I'm happy to answer any queries that come in on the rallies that have been scheduled.

MM We will all provide support as needed.

CW Thank you.

Meeting closed 15:30.
