Present
Tony Barnsley
Allen Warren
Kirstie Lamberton
Amanda Windmill
Chris Windmill

Apologies from
Chris and Fred Allen

1) election of new committee member/now changed her mind .

2) Severn Valley Birthday Bash

a) cancellation : due to costs ,only 7 people on the committee and a possible 4 helpers . At this present time only 35 vans are booked onto this event, the land owner was told 200/300 vans would possibly be attending ,based on the number of members Severn Valley Club has at this current time . At least 250 vans would be needed to break even. The club has 350+ members to date unsure if lack of interest is due to the date (just after Welland Steam Fair) or the cost of the Birthday Bash . Payment is due to be paid at the end of June to Welland .

Without Chris and Fred Allen being present at this meeting Allen said no vote could be made to cancel the Birthday Bash at this point.

b) Bands

Needed for the Friday night : Britpop £700 / Hush £633 / Jukebox playing just 60 and 70 music,the vote was Britpop if still available.

c) Invitations

For Severn Valley founder members to attend Birthday Bash has guests; Jenny Barlow and Derek Lawton also the chairman or a representative from Coms .

d) Helpers

Invited to the 3 interim nights for free when given various jobs to do on site .

3) A.O.B

Rally hosts for the National £45 paid from The Severn Valley Club not coms ,but not able to leave the venue until all Severn Valley members are on site / passed by the committee.

Holiday rally at Ruda no dogs are allowed on the rally field the club is booked on ,this needs to be passed on to members because many of them have dogs and will be unable to attend.

1-3rd July possible date for next meeting .

The committee don't want to cancel the Birthday Bash but would consider an alternative venue .

Since this meeting a vote was taken by email to cancel Welland has the location for the Birthday Bash after speaking to the land owner it would have no effect on Welland Steam Rally or future rallies.

Six for cancelling one against.

A new venue has been booked,more information to follow.

Meeting closed 5.30.
