www.thelunarvisitor.com/public-record

The Lunar Visitor periodical was first published in 1852 in San Francisco, California by John Jamison (J.J.) Moore of the AME Zion Church. The Lunar Visitor is a periodical and "news outlet of public record" authorized by an ecclesiastic/ religious government (The Zion Church of the Evangelical Association) to publish public and legal notices.

A public record is information that is recorded and stored by a government which a member of the public has a right to access and review. Records can be in tangible forms, such as paper, photographs, and maps, or stored on electronic media, such as CDs, DVDs, and computer databases.

Public Notice. Notice given to the public generally, or to the entire community, or to all whom it may concern. Pennsylvania Training School v. Independent Mut. F. Ins Co., 127 Pa. 559, 18 A. 392. Reasonable Notice. Such notice or information of a fact as may fairly and properly be expected or required in the particular circumstances. Sterling Mfg. Co. v. Hough, 49 Neb. 618, 68 N. W. 1019; Mallory v. Leiby, 1 Kan. 102. NOTICE IN LIEU OF SERVICE. In lieu of personally serving a writ of summons (or other legal process), in English practice, the court occasionally allows the plaintiff (or other party) to give notice in lieu of service, such notice being such as will in all probability reach the party. this notice is peculiarly appropriate in the case of a foreigner out of the jurisdiction, whom it is desired to serve with a writ of summons. Sweet.

With Pronunciations

Fifth Edition

~~particular exertion of the power of eminent domain shall be the convenience, safety, or welfare of the entire community and not the welfare of a specific individual or class of persons.~~

~~The term is synonymous with governmental purpose. As employed to denote the objects for which taxes may be levied, it has no relation to the urgency of the public need or to the extent of the public benefit which is to follow; the essential requisite being that a public service or use shall affect the inhabitants as a community, and not merely as individuals. A public purpose or public business has for its objective the promotion of the public health, safety, morals, general welfare, security, prosperity, and contentment of all the inhabitants or residents within a given political division, as, for example, a state, the sovereign powers of which are exercised to promote such public purpose or public business.~~

Public record. Public records are those records which a governmental unit is required by law to keep or which it is necessary to keep in discharge of duties imposed by law. *Curran v. Board of Park Com'rs, Lake County Metropolitan Park Dist., Com.Pl., 22 Ohio Misc. 197, 259 N.E.2d 757, 759, 51 O.O.2d 321.* A record is a "public record" within purview of statute providing that books and records required by law to be kept by county clerk may be received in evidence in any court if it is a record which a public officer is required to keep and if it is filed in such a manner that it is subject to public inspection. *In re LaSarge's Estate, Okl., 526 P.2d 930, 933.* See also
