

AMERICA'S MAINTENANCE GROUP

CAPABILITY STATEMENT

AMG Operations, LLC. serves commercial zones and construction areas in the tri-county area . The AMG family are South Florida residents with a reputation for integrity. Our main focus is to build a strong reputation in the industry supported by our passion, delivering quality to each project in the community while meeting budget expectations. AMG meets all Florida requirements and is fully insured. Our equipment selection can tackle big and small sites. Our trademark **"Jack of all trades"** gets put to the test saving the projects time and money. The AMG family takes pride in each performance. We strive to do it right the first time, that's the AMG difference!
