

CAPABILITY STATEMENT

Access A Ride Florida, LLC is an FDOT DBE certified transportation company, providing services to Transportation Disadvantaged (TD) residents in Palm Beach County. Our mission is to provide access to a **safe, affordable, efficient, and courteous shared ride** (door to door transportation service through Palm Tran Connection) to all disabled residents and visitors of Palm Beach County. **We also provide medically necessary non-emergency transport services through Medicaid.**

CORE COMPETENCIES

- ✓ Skilled and experienced drivers with 10+ years experience using LLLC safety driving defensive principles.
- ✓ Sensitivity trained personnel to serve people with disabilities, cleared with Level 2 background check.
- ✓ Clean, spacious fleet of vehicles equipped for shared rides.
- ✓ Flexible transportation schedule, running from 4:30 am to 11:00 pm on weekdays, and 7:00 am to 9:00 pm on weekends.
- ✓ Knowledgeable managers with 5+ years paratransit operations transportation experience.
- ✓ Affordable price per trip traveling anywhere in Palm Beach County.
- ✓ Clients can travel with PCA at no cost.

DIFFERENTIATORS

- Most of our operators and managers have been trained and were previously employed by MV Transportation (one of US leading para transit system companies).
- Our company is **owned and operated** by our drivers and managers, who are encouraged to invest in the company up to 40% of the working capital as they come onboard, enabling them to have a collective voice in the management of the enterprise, and making them more responsible in providing safer transportation and more customer-oriented services to our clients, the transportation disadvantaged population in Palm Beach County.
