

CAPABILITY STATEMENT

COMPANY OVERVIEW

James & Devara Sims Hart started **CUT UPS LAWN SERVICE, INC.** in 2002 as a lawn care service for residential customers only. After gaining knowledge of how the lawn and landscaping business works and by attending workshops, classes, and getting certifications and licenses, Cut Ups Lawn Service added the commercial line of business. The company's strengths include all aspects of lawn and landscaping details and managing the day-to-day requirements for the company to function efficiently. Cut Ups Lawn Service has a policy in place for the safety of its employees and the company, which includes wearing safety glasses, steel-toe shoes, gloves, hats, and uniforms.
