Overview:

Deborah K. Thompson, Consultants (DKT) have been delivering solutions in the areas of Transportation, Construction, and Housing, through academic educational and vocational training programs for over 30 years. We augment staff for the small, minority, disadvantaged and women owned contractors on mega projects. DKT specializes in solving the problems of managing and monitoring projects. Our consultants concentrate on development programs and service activities to government, private individuals, commercial establishments, and non-profit agencies. DKT maintains relationships with strategic alliances, both small and large businesses, providing clients with a broad and in depth range of expertise and solutions.
