

CAPABILITY STATEMENT

Live steam ~ Script ~ Drone ~ Edit

Flight Media Group (FMG) is a premier, mobile video production company specializing in high-quality visual content creation for a diverse range of industries. Our dedicated team of experienced professionals and ultramodern equipment, delivers captivating video solutions tailored to meet the unique needs of any client. FMG is a DBE Certified Small Business (SB) based in central Florida. We serve clients of all industries:

Corporate: We specialize in producing compelling corporate videos, training modules, and promotional content tailored to enhance brand visibility, engage audiences effectively, and meet your budget.

Advertising & Marketing: Our skill in creating captivating commercials, branded content, and social media campaigns helps clients stand out in a crowded marketplace, to attract all audiences.

Healthcare: We understand the unique challenges and sensitivities of the healthcare industry and offer tailored video solutions for medical institutions, pharmaceutical companies, and providers.

Construction: Video provides a comprehensive record of construction phases [time-lapse], to document progress, find potential issues, and serve as valuable evidence for future reference.

Education: Our team excels in producing educational videos, e-learning modules, and instructional content for academic institutions, training organizations, and online learning platforms.

Video Equipment: Our elite inventory includes top-of-the-line cameras, lenses, lighting gear, audio equipment, and specialized tools to ensure the highest production standards. Our equipment boasts superior resolution, versatile capabilities, and innovative features to bring your vision to life. We rely on and use only the best!
