

ELITE
INDUSTRIAL
PAINTING

CAPABILITY STATEMENT

CORE COMPETENCIES

Elite Industrial Painting specializes in surface preparation and coating of any steel surfaces.

We perform abrasive blasting, vacuum blasting, and steel grit recycling blasting, all while staying mindful of the environment with containment designs. We are always completely involved in all aspects of the project, including preparation and planning. We stay in compliance with safety rules and regulations through regular practices such as:

- Recycling of abrasive blasting media
- Abatement of hazardous coatings
- Class 1A Containment (SSPC)

PAST PERFORMANCES

- ARKANSAS DOT
- FLORIDA DOT
- SOUTH CAROLINA DOT
- OKLAHOMA DOT
- IOWA DOT
- VIRGINIA DOT
- GEORGIA DOT
