

CAPABILITY STATEMENT

CORE COMPETENCIES

Community Outreach

We are empowered by knowledge we have gathered over the years. We are the voice, eyes and ears of the community!

Public Engagement

Our mission is to help companies develop strategies to grow their business.

Corporate Event Planning

We have a group of professionals to help you handle every aspect of your event, and make it a truly memorable experience.

Internal Services

We can assist in the restructuring of internal departments to improve your customer service.

Housing

Trade Shows

PAST PERFORMANCES

My past project was the **South Corridor Workshop “Miami Dade Smart Plan”**.

I provided Community Outreach engaging the public awareness to the Smart Plan implementation.

DIFFERENTIATORS

- We have extensive insider knowledge gathered over years of working within the community.
- We always strive to provide reliable and economical services to our current and new clients alike.
- We are a multilingual team!
