# CAPABILITY STATEMENT

## COMPANY OVERVIEW

**GREEN ARROW ENTERPRISES**, isn't just your normal, everyday staffing firm; we're committed to **excellence** and **efficiency** by staying ahead of the curve. Although we pride ourselves on high-end technical staffing, it is by far not the only staffing solution we provide.

In addition, to placing individuals at various Fortune 1000 Clients near and far, we have a pulse on all opportunities that come our way. **Providing help to find personnel from the West Coast to the East Coast** has been one of the many factors that helps Green Arrow Enterprises win business.

## CORE COMPETENCIES

### “THE RIGHT STUFF” CONTRACT EMPLOYMENT/SHORT-TERM STAFFING

This strategy is generally used when demand exceeds the number of core positions needed to accommodate minimum production goals.

### “LETS GO SHOPPING” CONTRACT-TO-HIRE

Green Arrow has resource specialists that recruit employees who meet your company's standards and qualifications.

### “BUSY BUSINESS” DIRECT PLACEMENT HIRE

If your business is booming and you need a little more than traditional staffing, Green Arrow offers a customized program that focuses on the recruitment, performance, and success of the non-core workforce.
