

CAPABILITY STATEMENT

CORE COMPETENCIES

PDC Management Group, L.L.C. is a construction company that was established in 2015 by U.S. Navy Veteran Adrienne Lathrop in Jacksonville, FL. We provide Planning, Design, and Construction services for residential and commercial projects in both the government and private sectors.

As a General Contractor and former City Planner, the founder promotes a culture of teamwork and attention to detail while ensuring all projects are completed in compliance with OSHA standards, building and other applicable codes, regulatory requirements, and established policies & procedures. Furthermore, our team of construction trade professionals is committed to excellent customer service and a job well done!

WE SPECIALIZE IN:

- ✓ Residential & Commercial Construction
- ✓ Structural Concrete Insulated Panels (SCIP) Building System
- ✓ ADA Standards for Accessible Design Building Retrofits
- ✓ Historic Preservation, Land Use, and Zoning Consulting
- ✓ Owner Direct Purchase (ODP) Sales Tax Savings Program
- ✓ Safety Training
