## COMPANY OVERVIEW

**Rippee Construction, Inc.** has been providing general contracting, construction management, and design/build services in the North Florida region since 1995. We offer an experienced, professional and personable team committed to the successful completion of all projects. We have an excellent track record of meeting time and budget requirements.

Our services include rapid response, creative problem solving, value engineering, competent management, quality work, timely completion, fair and honest pricing and professional project documentation.

With over 140 years of collective construction experience we have the knowledge and ability to solve problems before they arise and contribute valuable expertise in complex building situations.

**BY SELECTING RIPPEE CONSTRUCTION, YOU SELECT AN EXPERIENCED TEAM.**
