## Electronic Membership Application

Did you know in less than 5 minutes you could enroll a LOOM into Lodge 1491 or a WOTM into Chapter 934 by logging into [www.beamoose.org](http://www.beamoose.org) Application can be used from any smartphone, tablet, laptop or desktop computer with an internet browser and connection, makes signing new members easier. There is no change to the essential rules of membership by using the electronic application. Prospective members must still be invited to join, they will be investigated by the Application Review Committee, and the lodge/chapter will still vote to accept/reject candidates during the monthly meetings.

### Administrators Message

I sure hope you are enjoying our new look in the Social Quarters. The new furniture layout has worked well. The new floor has been completed. We have one more section of flooring to finish along the bar. If you would like to have input to what that area should look like please express it.

Moose International is putting the final touches together on what the NEW Moose will entail for the WOTM and the LOYAL ORDER starting in 2021. Looking forward to having one organization, hope you are as well. We have several Crab Feeds coming up for several organizations. The Sheriff, Highway Patrol. Several schools, this is one of the ways we give back to our community so your support is encouraged. We will be having several car shows at the Lodge on the 4th Wednesday of the month. These are free to the owner and the public, so plan on coming down and drooling of them.

Still serving.

Your administrator Bob Pirone

### Governor's Message

Happy New Years everyone. For those that don't know me, my name is Anthony Waltz. I took over from Mo when he took the job of Territory Manager. I have been a member of this Lodge for the past 5 years and plan on trying to be very active as a Governor. I will also be very

approachable. We have a lot of new things starting in January, we will start having food Monday through Friday. Look for the schedule in the newsletter but it features Big John's Grill on Mondays, Wednesday Wings, and other things. We also will have a few events coming up. We will have on March 29<sup>th</sup> a Pig Roast. It is still in the planning stages but will be hashed out within the month. So if you have any questions you can call me, text me, email me, or approach me when I am at the Lodge. I will be at the Lodge on Tuesdays of course for Taco Tuesday and most Thursdays and Fridays. Trust me when I say I am at the Lodge more than that. I will be working with our

Administrator in the mornings. As I stated I said feel free to contact me, my phone number is 360-500-1969 and my email is anthonywaltz@gmail.com. I also forgot that we are changing our General meetings to the 1<sup>st</sup> and 3<sup>rd</sup> Wednesday every month. Also look in my Governors letter every newsletter for new information on how things will be changing with our Lodge come May 1, 2021. We will be using the One Lodge system. That means the LOOM and WOTM Boards will become one. The Board positions will be renamed and open to either Men or Women. This is upon approval at the Moose International Convention. Yes, this means we can have a Woman leading the Lodge. I am looking forward to that day. I will gladly hand the reigns of the Lodge to a Woman with my full support. Like I said any questions feel free to contact me if you have any questions. I am still learning about how things are changing so, if I don't have the answer I will find out and get back in contact with you.

Have a great New Year- Anthony Waltz

### Senior Regents Message

Happy Holidays, and Welcome to 2020! Reflecting on the previous year, can't help but think started my term as Senior Regent by saying we are "Going Back to The Basics" and successfully WE did!

WE went "Back to the Basics" and reflected on how proud we are to be referred to as a WOTM!

Our Chapter's magical growth number from International for the 2019/2020 term is "57". When we received our projected number I went to the membership, and said "Let's Create Our Future, and exceed their expectations, let's go for "75 new members".

Whether you stepped up, or witnessed the magic unfold. Drum Roll....Total New members 05/01/2019-12/06/2019 52, which means we are on TARGET to exceeding expectations. As of December 6<sup>th</sup> we have a total of 390 WOTM members. I APPRECIATE YOU, and YES YOU Make a Difference!

We know 2019 was a fun year, however 2020 will be greater. Think about this from a natural standpoint an optometrist is qualified to carry out eye examinations, prescribe and supply glasses and/or contact lenses. This is done in an effort to allow us to see clear. Let's continue to focus on retaining members as we are gaining new members.

Each of US are Qualified to examine our Vision, and carry out a successful prescription, in order to obtain clear focus by keeping our eyes, ears, and heart on MooseHeart, MooseHaven, and our Community!

MOOSE - CREATE OUR FUTURE

May 1, 2019 - April 30, 2020

The future of our Mooseheart children's education and well-being depends on what we do today. The responsibility to continue to provide what we promised to our senior members rests with us now. It's up to US to make sure that there IS a future! To do so, we need to Create Our Future now.

The best way to do so is to introduce our friends and family to the Moose. Sponsor a member today so that we can grow the Fraternity for the future. We may never enjoy the shade of the trees that we plant but our legacy will live on in the hearts of those that we support.

Sponsor 1 Member

Moose - Create Our Future pins are presented by your Lodge, Chapter or Moose Legion to individuals that sponsor their first member during the campaign.

Sponsor 5 Members

Funds will be donated toward Mooseheart's 4-H and Equestrian programs for our Mooseheart children and for those participating in County Fairs. Plans are to purchase a new show horse, equestrian attire/tack and two used utility vehicles for the farm.

Contributions are courtesy of your Association, the Women of the Moose and the Moose Legion.

Murder at the Ravenwood Masquerade Ball

Bloodworth Falls is an isolated town full of scandal, blackmail, and deceit. The townsfolk bicker in the streets, and many believe the local government to be corrupt. Nevertheless, the mayor is hosting a mysterious masquerade ball in the old Ravenwood Castle, and the tickets to the event have sold out in record time. The townspeople are curious to find out why the mayor would put effort into doing something positive in this town of gloom, but all are eagerly hunting for the perfect mask. You are worried what will happen on this night when toxic people gather at the castle. You are alarmed, as you didn't purchase your ticket - it was placed in your mailbox in an unmarked envelope. Somebody wants you there, but you don't know why. This is where your story begins.....
