Administrators Message

Hello all,

It has been 4 weeks since my knee was cut up and new pieces put in. I have had many things happen to my body, broken ankle, leg broken 3 times, bamboo in both hands, but this knee surgery was the worst.

4 weeks later I am finding that it is better than before, so maybe I will have the other one done, and then a shoulder, I am still looking for the golden years, just keeping, Things are great. Keep up with the calendar and keep informed of what happening at the Lodge.

Still Serving,
Bob Pirone

Governor's Message

As the fall season begins, please ensure you are safe while spending time with family and friends. As the weather begins to cool, you may spend more time at home or in town. Why not come down to the lodge and enjoy Monday and Friday Dinner. In November, we have the North Central California Poker Tournament on November 2nd and 3rd.

Then, a Moose Legion Dinner/Dance at the Concord Moose Lodge. Remember, the Moose Legion is a part of the council of higher degree's for the men of the Moose and this would be a great function to attend.

December features our annual Tom & Jerry night with a gift exchange and potluck dinner. Bring your favorite dish and show it off to your members. Santa will also be in town for the kids Christmas Party and breakfast in December. Following that will be our Annual New Years Eve celebration on December 31st. Get your tickets in the social quarters. Dave Badilla Band will be playing the event.

Governor

Senior Regents Message

Time waits for no one! As I think about the Federal Holidays that has flown by or upcoming during my Senior Regent term. Memorial Day, Independence Day, Labor Day, Columbus Day, and upcoming Veterans Day, Thanksgiving Day, and Christmas Day. No day stands out more than the day I took my oath. I'm constantly reminded of my purpose to support MooseHeart, MooseHaven, and Our Community. I want to thank each Co-worker, because **YOU** make the difference. As I said from the beginning we need to get "Back to the Basics". The idea of "**One Moose**" membership has been around for decades and during the CA/NV Association conference in Reno September 6-8, 2019 the vote was unanimous on an association level for CA/NV LOOM, and WOTM to be under the same umbrella. It's been a long time coming, but a change has come. This is Historic! I'm looking forward to uniting our forces. Congratulations to Jr. Graduate Regent, Jane Atthowe, for receiving her Green Cap. Lastly, as we quickly approach the ending of 2019, take the opportunity to Laugh, Live, and Love. A simple smile goes a long way.
