Administrators Message

Summer is here in full swing, and the lodge is doing great. We have just hit our 1,000-member mark and we are close to 1,020 as I write this message. So please keep doing what you are doing by asking your friends, family, and neighbors to join this great organization. As I write this, I'm finishing up packing to head out to our International Convention in Orlando Florida with quite a few others from Hayward/Castro Valley. I am happy that we will be well represented. I'm hoping that when Earl and I return we will be able to share some exciting news and information on the new thing coming ahead.

We have a lot of exciting events coming soon so don't miss out. We have a 4th of July BBQ, Comedy Night on July 23rd, and Harley Races aka Horse Races on July 21st. In addition to those special events, we still have all our weekly events as well. Poker, Karaoke, Cornhole and more. So, if you haven't been down in a while stop on by to say hello and have some fun with the rest of us.

See you at the lodge.

Dina Munday

President's Message

It's been great seeing people down at the lodge and enjoying the events that we have had to offer. July is a busy month so be sure not to miss out on any of the activities. We have a little bit of something for everyone, Karaoke, Cards, Horseraces, Cornhole, Pool, BBQ's, potlucks. We are very interested in starting Thursday night tacos and trivia and are looking for volunteers to get this going. If trivia is your thing let us know if you can help us get this started. We have signed over 132 members since May 1st. We hope to see these new members at the lodge as well as long time members we haven't seen in a while. By the time you read this message I will be in Orlando at our International Convention seeing my friends from across the country and learning about all the new things to come. I cannot wait to share these things with you upon my return.

Thank you for all you do.
 Earl Munday

Senior Regents Message

The last two months have been a whirlwind for me and the Women of the Moose!

I got to visit five lodges in our district and trust me, I got lots of ideas for fun things that we can implement in Castro Valley.

Our Father's Day breakfast was so much fun! Thank you to the ladies for baking muffins and extra goodies, thank you to Cheryl for making the super cute coffee pod holders, thank you to Fanessia for donating the coffee pods to go in them, and thank you to Gina and her kitchen staff for making all the food. Great job everyone!

Our bake sale tables continue to be well received on Friday nights, and now we are setting up desserts at the monthly car show, too! Come out for fresh baked goods! Yum!

The committee letters have been mailed out and if you are on a committee that has yet to pick a fundraiser event, be sure to bring your ideas to the committee meeting on the fourth Wednesday of the month at 6:30.

Let's make a mark!

Thank you, Bonnie Russell

By Damon Russell, Moose Lodge #1491 Membership Committee Chairman

CONGRATULATIONS, Hayward/Castro Valley Moose Lodge #1491! Our Lodge is now 1000 members strong! Our Family Fraternity has blossomed into the Lodge it is today because of OUR efforts over the past 75 years. This means YOU! Pat yourself on the back, you are a ROCKSTAR!

But our membership numbers alone do not make the Lodge. Our MEMBERS do. As Chairman of YOUR Lodge's Membership Committee, I want to talk about that committee with you.

There are 4 TEAMS in this Membership Committee. We're going to call them the 4 "R's", and they're as follows:

- **The Recruitment team**
- **The Reception team**
- **The Retention team**
- **The Recognition team**

Well, guess what? EVERY MEMBER OF THIS LODGE is in the Membership Committee, because each and every of us is in at least ONE of those teams, and I'm going to prove it.

Let's talk about these teams for a minute.

- **The first one is the Recruitment Team** - Member recruitment is an ongoing effort of **every** member. We love our **Lodge** family, and by extension, we as members want to meet AND be a part of **your** family and friendship circles. Every member of this lodge has friends and family in their lives that can both benefit from and contribute to, the Family Fraternity that is this Lodge, and ALL of the other Moose Lodges as well. This is the basic function of the Recruitment team- Bringing us all together.

- The Recruitment team focuses on promoting awareness of our Lodge, and our mission.
- What is our mission? There are 4 parts to our mission, which comes from Moose International, and each one of us pledged to uphold this mission when we first joined the Moose.

- To improve both the quality, and the strength, of our Fraternity (which is Lodge, the WOTM, and Moose Legion)
- To provide for the children at Mooseheart
- To provide for the seniors at Moosehaven
- To promote membership growth

- We do have some Key members of this team, and they may not even know it. Those members that produce our Newsletter, those that manage our social media presence, managers of our website, the volunteers that run the social quarters, those that host weekly or monthly events, not to mention the INCREDIBLE efforts of the Women of the Moose, are just a few examples.

These are the main folks that attract new members into our Fraternity, but we ALL do this as well. Our MEMBERS form the largest part of the Recruitment Team. EVERY member of our Lodge has pledged to improve the Lodge and promote its growth, and we ALL do it in our words and deeds every day.

Let's give our Recruitment Team rockstars a big hand!

You have just been deputized! Tell your friends, there's a new deputy in town. That's YOU! (Deputy badges are available upon request)

- **The second one is the Reception Team**- Member Reception is also a joint effort of EVERY member of this Lodge. Not only do we receive our new members with a warm, heartfelt welcome, but we also do this for our existing members. For our new members, the Reception Team ALSO focuses providing on a positive enrollment and orientation experience, and for the existing members, the Reception Team greets each member as they enter the Lodge to participate in our activities.

We're ALL part of this team. Do you want your Deputy badge yet? The job has AWESOME benefits!

- **The next one is the Retention Team** - while the Recruitment and Reception teams work to GROW our membership, The Retention Team focuses on ***maintaining*** that membership, identifying and reporting to the Board, any reasons why they may not renew their membership.

- The Retention Team generally meets informally and kind of quite often, simply to make sure membership retention problems don't occur. As a rule, this effort should never need to go beyond a simple dues reminder notice, and I can honestly say that's about where we're at right now, which is awesome! We COULD stand to have a few volunteers perhaps from WOTM to make text and phone calls to those with expired dues once a month, AFTER I've already emailed them, which occurs the first week of every month. If we have any interested Volunteers, please reach out to me at the Lodge or by email at cvmoosemembership1491@gmail.com. I'd LOVE your help!

- **Lastly, we have our Recognition Team**- Recognizing our individual team rockstars for their efforts to build, maintain and fortify the membership of this Lodge and the Moose Fraternity is our way of celebrating the people that make our Lodge the great place it is today, keeping us consistent with our mission.

Our team Rockstars are celebrated in our general meetings. You DO go to the meetings, right? If you do, you'd know that our Recruitment and Reception Teams are the ones most often getting the credit for the success of the Lodge, and they deserve it. Keep up the awesome work!

The continued success of this Lodge depends on our ACTIVE membership and our new "Deputies". As YOUR Membership Chairman, I look to the general membership to help continue to improve the Recruitment and Reception Teams of our Lodge, and I look forward to your continued cooperation. Additionally, I'd love a few organized individuals with good phone manners to help the Retention Team going forward. If that's you, let's talk! Let me make YOU the next Rockstar at the meeting!

Fraternally yours, Damon
