Presidents Message

Greetings our lovely 1491 Moose members.

I want to thank as always, every one of you for your support of the lodge in your efforts, but I must share with those of you who receive this message some news. All too often some of those I encounter in lodge dealings have a tendency of sharing every negativity they see or feel of our establishment. Not that it isn't a great thing to share your interests on how to make things better and I do surely appreciate input. What we do need is your actual help. Real day to day week to week and sometimes just general hands-on help with many things to keep up with our responsibilities. The reason I mention this is I'm going to work on making it a habit that for the remainder of our board term to challenge those who bring a concern to me that I'll be asking you how you are going to help with positive ideas in helping whatever your concern is.

Thank you all and happy July/August

Thank you, Anthony Soares

Vice Presidents Message

HOWDY members of 1491

For those of you who don't know me, my name is Michael Blaze Hayes everyone calls me Blaze. I am your newly elected Vice President.

The last two years that I have been on the board with your help we have accomplished some amazing feats. Secured a livable mortgage loan and raised and secured funds for a SOOO badly needed roof and I see more good things being accomplished moving forward again this is all with your help. So, I would like to say Thank You to you all for making these things possible.

Speaking of making things happen I would like to encourage you all to attend our general meetings and bring your ideas for future activities, events, fund raisers etc... Then after the meeting go to the social quarters have a beverage and maybe meet some new friends.

In closing I would like to remind us all while socializing in the social quarters we might not all agree on everything, but we still need to be considerate and respectful to our fellow moose members and especially to our volunteers on duty. Leave the drama outside and bring the positivity inside. MOOSE UP!

Sincerely,
Blaze

Please remember that all our helpers are volunteers.
Be kind and pitch in.
Every member is important and with your help we will be
even more successful!
We need you!

Administrators Message

As always, I hope this letter finds you well. We have had a busy couple of months at the lodge and we are excited about the progress and energy that has been created. I had the opportunity to go to Mooseheart in June and attend the 5th and 8th grade promotion and the high school graduation. In addition to that I also was there to see the new pilgrims enter the House of God and be bestowed with the highest degree of the order. I was pleased to see our own lodge member Mo Khan receive his gold jacket. Congratulations Mo on this great achievement. This one was even a little more exciting because I had the opportunity to meet Ross Chastain who is the NASCAR driver that drives the #1 Moose Car. For the first time in my existence, I was speechless. Chastain just took 1st place on June 25th in Tennessee. I try to attend Mooseheart graduation every year and let me tell you it is the highlight of the year. If you ever have the chance to visit Mooseheart I guarantee you will never stop paying your dues. To meet the children that we help and to hear their stories is just amazing. For more information on our Child City and School visit www.mooseheart.org.

I also had the opportunity to attend the International Moose Convention which was held in Reno, Nevada in June. A great time was had by all, the meetings were informative, the opportunity to meet new people from all over the country and share ideas is invaluable. As part of the International Activities Committee, I was able to work in the booth as well so that gave me even more opportunities to meet new people. While we were at the International Convention in Reno our lodge was presented with the Premier Lodge Award for the 2nd year in a row. I cannot express how happy I am that we earned this award. In fact, we were the first one announced by CEO Scott Hart. I was in the process of getting my phone out to take a photo when they announced our name, and I almost missed it as I was not expecting to be the first lodge called. There may or may not have been some tears but don't tell anyone :-).

I'm also pleased to announce that at Convention Karen Clay and Jane Athowe received their College of Regents Degree and Renee Belk received her Star. These are great accomplishments in the Women of the Moose so if you see them at the lodge, please congratulate them.

On June 25th we had an amazing spaghetti feed that was attended by over 100 members. We would like to thank the Buon Tempo Club cooks and volunteers for putting on an amazing meal and helping us raise money for our Social Quarters Upgrades. Just over \$2000.00 were raised in those two hours and we are very appreciative.

We have many more events coming in the upcoming months. We have the Fish Fry and Poker Tournament on July 1st. We have our District Picnic on August 13th. We also will be hosting a Spades Tournament, Domino Tournament, Toy Show, Record Show and so much more. We also have our weekly events of Poker, Cornhole and Karaoke. Also don't forget our car shows on July 26th and August 23rd. If there is something else you would like to see at the lodge let us know and please feel free to volunteer. We are always in search of more help.

Thank you to all our members for your support and I look forward to seeing you at the lodge.

Senior Regents Message

Hi All-

I have just returned from our National Moose Convention in Reno along with many other Moose Lodge 1491 members! I went as the representative for the Women of the Moose #934! After attending many workshops and meetings, I have learned so much about the organization as a whole and has recharged me to make my year as Senior Regent very successful! I'm so excited and happy that I was lucky enough to attend! This organization needs all members to be successful and reach our goals and it all starts with you.

Our organization thrives on the dedication and involvement of our members, and we are always in need of women who are willing to volunteer and contribute to our activities. Whether it's fundraising, organizing events, or increasing our membership, your active participation is invaluable. We genuinely hope to see you at our meetings and more frequently at the lodge, as we truly believe that all women can contribute to achieving our goals. Please join us for our WOTM meetings with anything you might be able to contribute or any idea you might have for a fundraiser or activity. I would love to hear from you! For example, our bake table in the social quarters every Friday night always needs volunteers to bake desserts to sell. We would appreciate all donations! There is a sign-up sheet on the WOTM bulletin board that is in the social quarters.

Furthermore, I would like to express our heartfelt gratitude to all the women who have already provided their help and support. Your contributions have made a significant impact on our chapter, and we are immensely grateful for your efforts.

If you have any questions, suggestions, or would like to express your interest in becoming a committee part of a certain committee, please don't hesitate to reach out to us. Your involvement will shape the future of our organization, and together we can accomplish great things.

Thank you once again for your unwavering support.

Warm regards,

Melissa Mahar
Senior Regent

Bonnie's Tips for Wellness

If you're having trouble starting a wellness routine, begin by turning everyday activities into muscle building, fat burning movements:

- Do squats while brushing your teeth.
- Do lunges when sweeping the floor.
- Stretch & reach for the sky to put away dishes.
