Presidents Message

HAPPY MOOSE NEW YEAR Greetings Members of Lodge 1491. For those who might not know it moose year is from May to May. Starting a new year but continuing with the great progress, activities and some good old fashion Moose fun from last year. I would like to thank our now Junior Past President Antohny Soares for his excellent leadership all thru last year and our Junior Past of last year Earl Munday for his great guidance thru the year. Also, thanks to Dina Munday, our continuing Administrator, without her hard work and dedication we would be tripping over our own two feet and to the entire board for another great year. A special Thank you to Bonnie Russell our Chaplain for the past 3 years you have done a wonderful job you will be missed. However, her husband Damon will be taking the position of Chaplain along with two new board members Teri Castro as treasurer and Ariel Pineda as Trustee 3. Thanks to the Women of the Moose for another good year. They are a major asset to this lodge. To all our volunteers, from barbacks to bartenders to set up crews to cleanup crews to members that show up for an event and stay to cleanup. I don't have time to name you all, but you know who you are and Thank You. Without all of you this lodge would not be where it is today. Finally Thank You all for your trust and support and I will do my best to live up to that and with the help from everyone I believe we will have another good and just as important fun year.
 Sincerely Michael (Blaze) Hayes

Administrators Message

Another Moose year in the books!
 First, I would like to thank last year's board of officers and chairman for all their hard work this past year. As I look back on the last twelve months, I am proud of all the things we accomplished. We finally were able to get the roof completed, which is very exciting. The woman's bathroom ceiling has been repaired and we have new lights all around our building. Between May and June, the new bar sinks and soda dispensers should be installed. Our next big project will be the parking lot which will have a hefty price tag attached. However, I know with our great leadership and our dedicated members supporting our events we will be able to accomplish this as well.
 I also would like to take this opportunity to thank the incoming board of officers and chairman that have agreed to take positions this year. While some of the people are continuing, we have some newbies on both the board and as committee chairman. We are super excited to have you join with us in our efforts to make Hayward/Castro Valley one of the best lodges in the whole fraternity. We have a lot of exciting events coming that you will see in the newsletter so make sure you check them out and come on out they are always a good time. Lastly, I would like to end with some stats. There are 1850 Moose Lodges across the United States and Canada and out of all those lodges we were most recently ranked at number 146. There are 107 lodges in the California/Nevada Moose Association, and we are currently ranked at number 6. We have also earned the 5 Star Award again for this year and are on track to be a Premier Lodge for the third year in a row, which is great news. I would like to thank all our members and volunteers for our all their hard work and support. Without you we are nothing. See you at the lodge,
 Dina Munday

Senior Regents Message

I am thrilled to have been elected as Senior Regent for Chapter 934 of the Women of the Moose (WOTM) for this year! "Embrace our Community" is the Moose Campaign for 2024-2025. This campaign is so very relevant to me because community is the "why" I belong to the Moose and is the "why" I serve at the WOTM level.

I have been on the WOTM Board for 4 years and held a WOTM Chair position on various committees for 3 years prior to that. Our local Moose Lodge has provided me and my family with a community of people that we have cherished for the 15 years we have been involved.

As Senior Regent my goal is to strengthen our Chapter. Chapter 934 is extremely fortunate to have the support of our Lodge Administrator Dina Munday, who has been extremely active for years in the WOTM at the International level. However, as many Chapters are closing, my hope is with my efforts, and efforts of my Board/Chairs, we can increase participation and get our members engaged in the Chapter. Building competency among members in all things Moose is also a goal of mine that will strengthen our Chapter, and something I am committed to.

It is my strong belief that we can accomplish these goals and have a *fun and exciting* year. I am enthusiastic about the WOTM discovering ways to "Embrace our Community", both within our Lodge and with community service in 2024-2025.

Cheers,

Renee Belk
Senior Regent
