## FINE ADDITION TO THE BRITE-MARK® FAMILY OF PRODUCTS

DYKEM® BRITE-MARK® Fine Permanent Paint Markers scribe bright, permanent marks on all types of surfaces. Their fine marks are ideal for permanently identifying small inventory, assemblies, tools, finished products, or work-in-progress. Filled with **up to 67% more paint** than competitors' markers, BRITE-MARK® Fine Permanent Paint Markers are equipped with valve action mechanisms to prevent paint in the barrel from drying out, even when the cap is off. Additionally, reversible and replaceable bullet nibs keep your marks sharp through the full life of the marker. This all adds up to **40% less waste**.

# DYKEM® BRITE-MARK®

## Permanent Paint Markers

DYKEM® BRITE-MARK® is line of general purpose permanent markers ideal for making clear, bold markings on almost any surface. Their quick drying, oil-based paint withstands indoor and outdoor conditions without fading, chipping or losing its opacity. DYKEM® BRITE-MARK® can be used to permanently identify inventory, assemblies, tools, finished products or work-in-progress while resisting most work related abuses or compounds.
