**Part 1 - "Bible Codes,
About Bible Codes"**

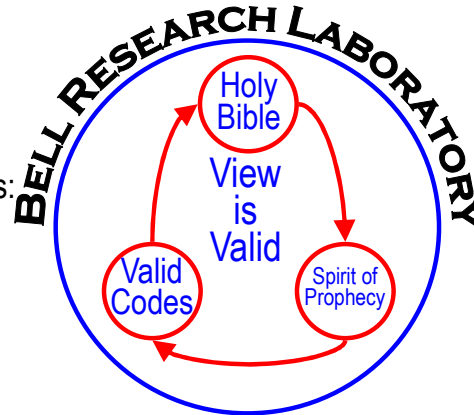

Bell Research Laboratory Viewpoint Validation Criteria

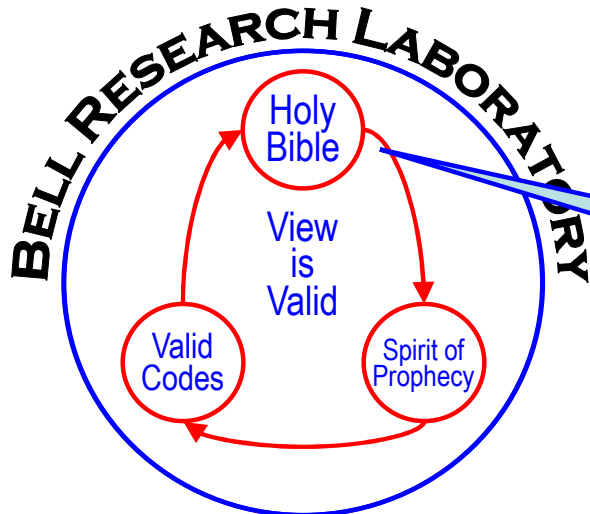

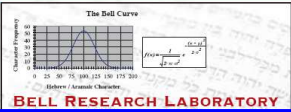

To validate a theological belief, all aspects of the belief must pass a three-level consistency check. Each validation stages' inputs and findings are checked for associations and/or relationship inconsistencies with the following sources:

1. The Holy Bible
2. The Spirit of Prophecy (Ellen G. White's prophetic writings, etc.)
3. Valid Bible code matrices

If all three criteria are met, without violation, the theological belief is considered valid and adopted as present truth.

Bible Commentary on Hidden Information Within Its Pages

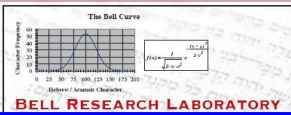

- "Search the scriptures; for in them you hope that you have eternal life, and they testify concerning Me," John 5:39 (Peshitta) [New light is found by a search of the text of the holy Bible.]
- "And the Lord answered me, and said, Write the vision, and make it plain upon tables, that he may run that readeth it. For the vision is yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry." Habakkuk 2:2-3 (KJV) [New light will be revealed after the surface text of the Bible is written out in a table, with each letter occupying one equally sized cell.]

Bible Commentary on Hidden Information Within Its Pages (Cont.)

•"Now go, write it before them in a table, and note it in a book, that it may be for the time to come for ever and ever:" Isaiah 30:8 (KJV) [This verse reveals two facts: 1) To reveal the new light, write each of the letters of the Biblical text in an equally spaced cell of a table, and 2) Create presentations and explain to the masses how the revealing of the messages, at the end of time, is accomplished.]

•"How are the things of Esau searched out! how are his hidden things sought up!" Obadiah 1:6 (KJV) [The new light will be revealed by searching (literally) the scriptures.]

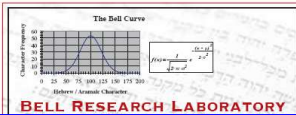

Bible Commentary on Hidden Information Within Its Pages (Cont.)

•"But we speak the wisdom of God in a mystery, even the hidden wisdom, which God ordained before the world unto our glory:" 1 Corinthians 2:7 (KJV) [The new light was hidden by God before the world was created.]

•"So the last will be first and the first last, for the called are many and the chosen ones are few." Matthew 20:16 (Peshitta) [This verse reveals two facts: 1) One way the new light is hidden is using the atbash cipher, and 2) Another way that the new light is uncovered is by picking a few letters (out of a larger group), putting them together, and reading the messages.]

•"And all the kings of the north, far and near, one with another, and all the kingdoms of the world, which are upon the face of the earth: and the king of Sheshach shall drink after them." Jeremiah 25:26 (KJV) and "How is Sheshach taken! and how is the praise of the whole earth surprised! how is Babylon become an astonishment among the nations!" Jeremiah 51:41 (KJV) [One way the new light is hidden is by using the atbash cipher, where Babylon is substituted by the atbash equivalent Sheshach.]

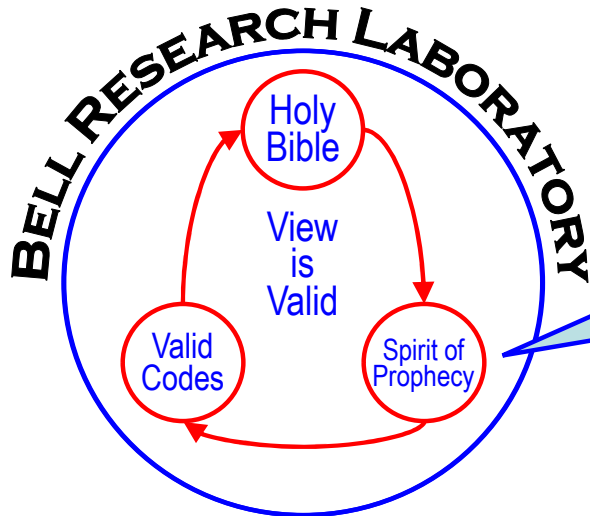

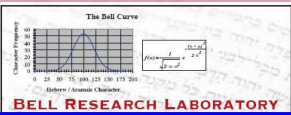

Bible Commentary on Hidden Information Within Its Pages (Cont.)

•"And I will give thee the treasures of darkness, and hidden riches of secret places, that thou mayest know that I, the Lord, which call thee by thy name, am the God of Israel." Isaiah 45:3 (KJV) [When the new light is revealed, the nature of how it was hidden, will be evident that only God could have hidden the new light.]

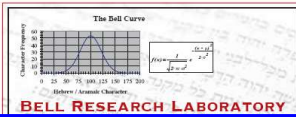

•"And I shall grant my two witnesses to prophesy 1260 days while wearing sackcloth." Revelation 11:3 (Peshitta) [The old and new testaments of the Bible will provide new, previously unknown, prophecies at the end of time.]

•"And the vision of all is become unto you as the words of a book that is sealed, which men deliver to one that is learned, saying, Read this, I pray thee: and he saith, I cannot; for it is sealed: And the book is delivered to him that is not learned, saying, Read this, I pray thee: and he saith, I am not learned. ... Therefore, behold, I will proceed to do a marvelous work among this people, even a marvelous work and a wonder: for the wisdom of their wise men shall perish, and the understanding of their prudent men shall be hid." Isaiah 29:11-14 (KJV) [The work will be shown using those who do not necessarily have lofty educational degrees.]

Sister White's Comments on The Revealing of End-Time Information

•"Interwoven with prophecies which they had regarded as applying to the time of the second advent was instruction specially adapted to their state of uncertainty and suspense, and encouraging them to wait patiently in the faith that what was now dark to their understanding would in due time be made plain. Among these prophecies was that of Habakkuk 2:1-4..." *The Great Controversy*, Pages 391 & 392 [The new light is woven into the surface text like a lattice.]

•"And to speak with contempt of those whom God has sent with a message of truth, is folly and madness." *Testimonies on Sabbath-School Work*, page 60 [God will send those who will give His new light.]

•"Light is to shine forth from God's people in clear, distinct rays, bringing Jesus before the churches and before the world....If through the grace of Christ his people will become new bottles, he will fill them with the new wine. God will give additional light, and old truths will be recovered, and replaced in the framework of truth..." *The Review and Herald*, December 23, 1890, Be Zealous and Repent, paragraph 19 [This quote reveals two facts: 1) The new light will be proclaimed from believers in the testimony of Jesus Christ (God's people), and 2) Additional new light will displayed in a framework of truth.]

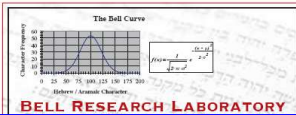

Sister White's Comments on The Revealing of End-Time Information (Cont.)

•"They are not to make up their minds that the whole truth has been unfolded, and that the Infinite One has no more light for His people." *Testimonies on Sabbath-School Work*, page 60 [The new light will come after Ellen White was alive.]

•"New light will ever be revealed on the word of God to him who is in living connection with the Son of Righteousness. Let no one come to the conclusion that there is no more truth to be revealed. The diligent, prayerful seeker for truth will find precious rays of light yet to shine forth from the word of God. ...it is the mission of the light to shine out and illuminate the darkness." *Sabbath-School Worker*, March 1, 1892, paragraph 4 [This quote reveals two facts: 1) New light will continuously be revealed until the end of time, and 2) New light must be shared with others on the earth.]

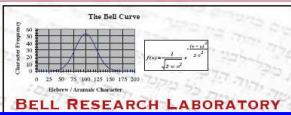

•"God has been pleased to communicate His truth to the world by human agencies, and He Himself, by His Holy Spirit, qualified men and enabled them to do this work. He guided the mind in the selection of what to speak and what to write. The treasure was entrusted to earthen vessels, yet it is, nonetheless, from Heaven." *The Great Controversy*, page d [The Holy Spirit will qualify human beings to spread the new light.]

Sister White's Comments on The Revealing of End-Time Information (Cont.)

•"Let me tell you that the Lord will work in this last work in a manner very much out of the common order of things, and in a way that will be contrary to any human planning. ... The workers will be surprised by the simple means that he will use to bring about and perfect his work of righteousness." *Special Testimonies for Ministers and Workers*, Series A, No.6, pages 59 & 60 [This quote reveals two facts: 1) The new light will come in a new, unusual and simple way, and 2) To understand that the new light is from God, one needs to be watching and ready to receive it.]

•"When divine power is combined with human effort, the work will spread like fire in the stubble[Revelation 18:1]. God will employ agencies whose origin man will be unable to discern; angels will do a work which men might have had the blessing of accomplishing, had they not neglected to answer the claims of God. The work is now presented to man. Will he take it?" *The Review and Herald*, December 15, 1885, A Missionary Appeal, paragraph 8 [Word of the new light will spread relatively quickly and excitement will be generated in a way that is not perceptible.]

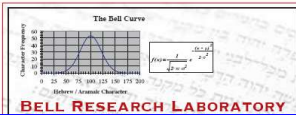

Sister White's Comments on The Revealing of End-Time Information (Cont.)

- "In the manifestation of that power which lightens the earth with the glory of God[Revelation 18:1], they will see only something which in their blindness they think dangerous, something which will arouse their fears, and they will brace themselves to resist it. Because the Lord does not work according to their ideas and expectations they will oppose the work. 'Why,' they say, 'should we not know the Spirit of God, when we have been in the work so many years?'" *The Review and Herald Extra*, December 23, 1890, Be Zealous and Repent, paragraph 18 [\[Even \(so called\) believers will prepare to resist the new light because they will perceive that it is of evil origin.\]](#)

- "The two witnesses represent the Scriptures of the Old and the New Testament." *The Great Controversy*, page 267 [\[The old and new testaments of the Bible will provide new, previously unknown \(hidden\), prophecies at the end of time.\]](#)

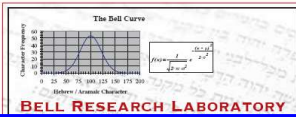

- "The third angel's message will not be comprehended, the light which will lighten the earth with its glory [Revelation 18:1] will be called a false light, by those who refuse to walk in its advancing glory. The work that might have been done, will be left undone by the rejecters of truth, because of their unbelief." *The Review and Herald*, May 27, 1890, Living Channels of Light, paragraph 6 [\[The new light will be called false light and not of God.\]](#)

Sister White's Comments on The Revealing of End-Time Information (Cont.)

•"The third angel's message reveals the great saving truth for this time. Its truths are constantly unfolding, and it is God's design that even the children and youth shall understand intelligently what God requires, that they may distinguish between righteousness and sin, between obedience and disobedience." *Manuscript Releases Volume Nine*, page 292 [This quote reveals two facts: 1) The new light will continue to be revealed until the end of time, and 2) The new light will provide clear doctrines and religious direction.]

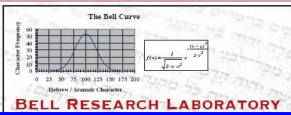

•"Ministers and doctors may depart from the faith, as the Word declares they will, and as the messages that God has given His servant declare they will. Thus believers will be given evidence that the Word of God, the warnings He has given, are being fulfilled right among us. Some may make light of these messages, misinterpret them, and say untruthful things, which lead others' minds astray." *Manuscript Releases Volume Seven*, To Brethren Assembled at Council at Graysville, Tn., pages 192 & 193 [This quote reveals three facts: 1) The new light will predict events that will and/or have transpired, 2) Some will not believe in the revealed new light, and 3) Some will miss interpret the encoded messages.]

Sister White's Comments on The Revealing of End-Time Information (Cont.)

•"...that there was to be special light for God's people as they neared the closing scenes of this earth's history. Another angel was to come from heaven with a message, and the whole earth was to be lightened with his glory[Revelation 18:1]. It would be impossible for us to state just how this additional light would come. It might come in a very unexpected manner, in a way that would not agree with the ideas that many have conceived. It is not at all unlikely, or contrary to the ways and works of God, to send light to His people in unexpected ways." *Manuscript Releases Volume Thirteen*, Additional Light for God's People, page 334 [\[The new light may come in a very unusual way.\]](#)

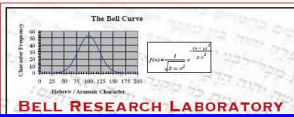

•"God's Spirit has illuminated every page of Holy Writ, but there are those upon whom it makes but little impression, because it is imperfectly understood. When the shaking comes, by the introduction of false theories, these surface readers, anchored nowhere, are like shifting sand. They slide into any position to suit the tenor of their feelings of bitterness." *Manuscript Releases; Volume Eleven*, page 206 [\[The new light will bring new meaning and/or understanding out of each page of the holy Bible.\]](#)

Sister White's Comments on The Revealing of End-Time Information (Cont.)

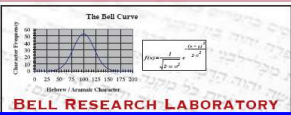

•"And in a large degree through our publishing houses is to be accomplished the work of that other angel who comes down from heaven with great power and who lightens the earth with his glory[Revelation 18:1]. Solemn is the responsibility that rests upon our houses of publication. Those who conduct these institutions, those who edit the periodicals and prepare the books, standing as they do in the light of God's purpose, and called to give warning to the world, are held by God accountable for the souls of their fellow men." *Testimonies for the Church Volume Seven*, page 140 [A work and/or works will be published that will assist in the comprehension of the new light.]

•"There is yet much precious truth to be revealed to the people in this time of peril and darkness, but it is Satan's determined purpose to prevent the light of truth from shining into the hearts of men. If we would have the light that has been provided for us, we should show our desire for it by diligently searching the word of God. Precious truths that have long been in obscurity are to be revealed in a light that will make manifest their sacred worth; for God will glorify His word, that it may appear in a light in which we have never before beheld it." *Counsels on Sabbath School Work*, page 25 [This quote reveals two facts: 1) The new light will present old truths in a new way that their divine origin will be shown, and 2) The new light has already been provided to us and is found by searching the Biblical text.]

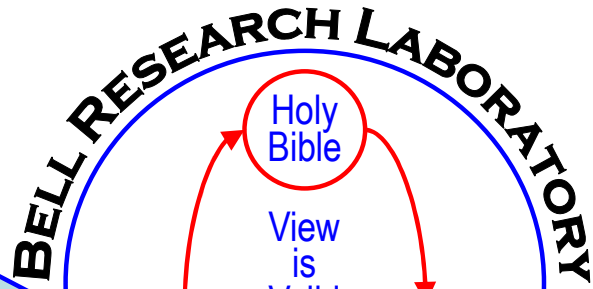

Sister White's Comments on The Revealing of End-Time Information (Cont.)

•"God will work a work in our day that but few anticipate. He will raise up and exalt among us those who are taught rather by the unction of his Spirit, than by the outward training of scientific institutions. These facilities are not to be despised or condemned; they are ordained of God, but they can furnish only the exterior qualifications. God will manifest that he is not dependent on learned, self-important mortals." *Testimonies for the Church Volume five*, page 82 [The work will be shown using those who do not necessarily have lofty educational degrees.]

Equidistant Letter Sequences in the Book of Genesis

Doron Witztum, Eijayahu Rips and Yoav Rosenberg

Abstract. It has been noted that when the Book of Genesis is written as two-dimensional arrays, equidistant letter sequences spelling words with related meanings often appear in close proximity. Quantitative tools for measuring this phenomenon are developed. Randomization analysis shows that the effect is significant at the level of 0.0002.

Key words and phrases: Genesis, equidistant letter sequences, cylindrical representations, statistical analysis.

1. INTRODUCTION

The phenomenon discussed in this paper was first discovered several decades ago by Rabbi Weissmandel [7]. He found some interesting patterns in the Hebrew Pentateuch (the Five Books of Moses), consisting of words or phrases expressed in the form of equidistant letter sequences (ELSA)—that is, by selecting sequences of equally spaced letters in the text. As impressive as these seemed, there was no rigorous way of determining if these occurrences were not merely due to the enormous quantity of combinations of words and expressions that can be constructed by searching out arithmetic progressions in the text. The purpose of the research reported here is to study the phenomenon systematically. The goal is to clarify whether the phenomenon in question is a real one, that is, whether it can or cannot be explained purely on the basis of fortuitous combinations.

The approach we have taken in this research can be illustrated by the following example. Suppose we have a text written in a foreign language that we do not understand. We are asked whether the text is meaningful (in that foreign language) or meaningless. Of course, it is very difficult to decide between these possibilities, since we do not understand the language. Suppose now that we are equipped with a very partial dictionary, which enables us to recognise a small portion of the words in the text: "hammer", here and "chair" there, and maybe even "umbrella".

Eijayahu Rips is Associate Professor of Mathematics, Hebrew University of Jerusalem, Givat Ram, Jerusalem 91904, Israel. Doron Witztum and Yoav Rosenberg did this research at Jerusalem College of Technology, 21 Hanead Haluzim St., P.O.B. 16031, Jerusalem 91160, Israel.

elsewhere. Can we now decide between the two possibilities?

Not yet. But suppose now that, aided with the partial dictionary, we can recognise in the text a pair of conceptually related words, like "hammer" and "nail." We check if there is a tendency of their appearance in the text to be in "close proximity." If the text is meaningless, we do not expect to see such a tendency, since there is no reason for it to occur. Next, we widen our check; we may identify some other pairs of conceptually related words: like "chair" and "table," or "rain" and "umbrella." Thus we have a sample of such pairs, and we check the tendency of each pair to appear in close proximity in the text. If the text is meaningful, there is no reason to expect such a tendency. However, a strong tendency of such pairs to appear in close proximity indicates that the text might be meaningful.

Note that even in an absolutely meaningful text we do not expect that, deterministically, every such pair will show such tendency. Note also, that we did not decide the foreign language of the text yet; we do not recognise its syntax and we cannot read the text.

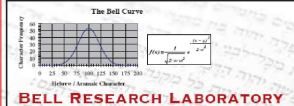

This is our approach in the research described in the paper. To test whether the ELA's in a given text may contain "hidden information," we write the text in the form of two-dimensional arrays, and define the distance between ELA's according to the ordinary two-dimensional Euclidean metric. Then we check whether ELA's representing conceptually related words tend to appear in "close proximity."

Suppose we are given a text, such as Genesis (G). Define an equidistant letter sequence (ELS) as a sequence of letters in the text whose positions, not counting spaces, form an arithmetic progression; that is, the letters are found at the positions

$$n, n + d, n + 2d, \dots, n + (k - 1)d.$$

Prophetic fulfillment of this code came in 1994 with the publishing of an article in Statistical Science entitled "Equidistant Letter Sequences in the Book of Genesis". The image on the left is the first page of the now famous article.

A special distinction can be seen between the two groups showing that Team144K will exist before the close of probation. One reason that we will know who the members of this special group are is that their faces will glow during the Loud Cry. **"As the third angel's message swells into a loud cry [before probation closes], great power and glory will attend its proclamation. The faces of God's people will shine [mark of divine sanctioning] with the light of heaven.[emphasis added]"**- *Testimonies for the Church Volume Seven, 1902, page 17* See the article "Team144K" (bellresearchlab.com) for more information.
- 3) If the teacher does not have the mark/sign of divine sanction, the teachings should be treated as an abomination. The timing of this has been given in that people will hear of the faces of people having been lit up with divine glory.
- 4) There will be false teachings that arise through these people.

The **[RED]** STR codes reveal (cont.):

- 5) The Lord will empower His elect to bring attention to the special end-time information, in an unusual way, to spread the message to the great multitude. ("28And it shall come to pass afterward, that I will pour out my spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions: 29And also upon the servants and upon the handmaids in those days will I pour out my spirit." Joel 2:28 and 29 (KJV) Also; "Let me tell you that the Lord will work in this last work in a manner very much out of the common order of things, and in a way that will be contrary to any human planning. There will be those among us who will always want to control the work of God, to dictate even what movements shall be made when the work goes forward under the direction of the angel who joins the third angel in the message to be given to the world [Revelation 18:1]. God will use ways and means by which it will be seen that he is taking the reins in his own hands. The workers will be surprised by the simple means that he will use to bring about and perfect his work of righteousness." *Special Testimonies for Ministers and Workers*, Series A, No.6, pages 59 and 60.)
- 6) The special information is found by taking the text of the Bible and placing pieces of it in the correct order. (The pieces and their order is given to us, and linked together, by means of a hidden ELS message.)
- 7) A message will be constructed by placing the pieces together. This will reveal the wonderful messages that the Lord has given to His believers.
- 8) It is a special gift because He loves them.

The **RED** STR codes reveal:

- 1) A prophecy is to be understood; it is about someone who has done things against
- 2) someone in power that will work continually against the people. Anyone that opposes him will
- 3) also be fired.
- 4) A timing clue is now given: At this time the heavenly community will be prepared and ready to roll out the additional information [reference to Revelation 18] as a scroll is opened. "And after these things I saw another Angel from Heaven, who had great authority, and The Earth was brightened by his glory." Revelation 18:1 (Peshitta) Sister White had some additional clarity to give to the importance of this angel; "...that there was to be special light for God's people as they neared the closing scenes of this earth's history. Another angel was to come from heaven with a message, and the whole earth was to be lightened with his glory[Revelation 18:1]. It would be impossible for us to state just how this additional light would come. It might come in a very unexpected manner, in a way that would not agree with the ideas that many have conceived. It is not at all unlikely, or contrary to the ways and works of God, to send light to His people in unexpected ways." *Manuscript Releases Volume Thirteen, Additional Light for God's People*, page 334

Daniel 12:4 (KJV)
Watch and see that
- 6) all truth seekers will find the information, the others will be turned away. "Ask and it will be given to you, seek and you will find, knock, and it will be opened to you." Matthew 7:7 (Peshitta)
- 7) Some have apparently totally rejected God and will actively seek out and attempt to cause trouble for the saints.

Who Study the Codes?

A pattern seems to be showing itself. The special end-time messages for God's remnant are to be uncovered with special care. This thought is expressed by sister White; "Priceless gems are to be found in the word of God. **Those who search this word** should keep the mind clear. Never should they indulge perverted appetite in eating or drinking. [emphasis added]"-*Testimonies to Ministers and Gospel Workers*, page 113

This thought is echoed regarding the accuracy of the interpretation; "49And will start to beat his associates and eat and drink with drunkards, 50The Lord of that servant will come on the day that he does not expect it, and in the hour in which he is not aware. 51And he will cut him off, and he will set his portion with the phonies. There will be weeping and gnashing teeth." Mathew 24:49-51(Peshitta)

Also of special note is that this Bible code matrix runs through Numbers 6:3 that describes the vow of the Nazarite.

**Part 2 - "The Discovery of
Multi-Layer Bible Codes"**

Code Key For Additional Information?

This next code matrix is VERY special. It describes the way that the additional layer of codes are read. For years the meaning of this code matrix was a mystery until one day it was discovered that the message was talking about the surface text being brought together by the encoded messages themselves. A set of general rules were developed that are summarized on the next two slides. **I knew that I was correct when this technique was applied to the code matrix itself and discovered that the revealed messages describe an amazing sequence of events to follow.**

The encoded phrase; "exposal of code it will pronounce Me" suggests that when this deeper layer of code is revealed, it will be absolutely spectacular; in fact it will "pronounce" God. Indeed it has!

Surface Text Relevance (STR) Codes

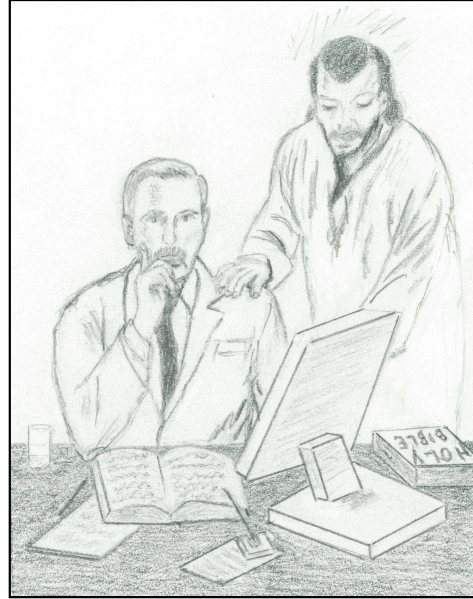

Surface Text Relevance (STR) Codes-

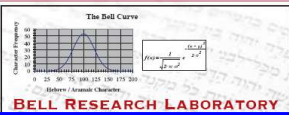

Text of the Bible, where the encoded letters touch, is typically related to the encoded messages that lie beneath.

All encoded letters equate/touch a letter somewhere in the surface text of the Bible.

Surface text relates to the hidden / encoded text that lies underneath.

Surface text flow (chapter and verse) follow one after another in sequence.

Surface Text Relevancy (STR) Codes (Cont.)

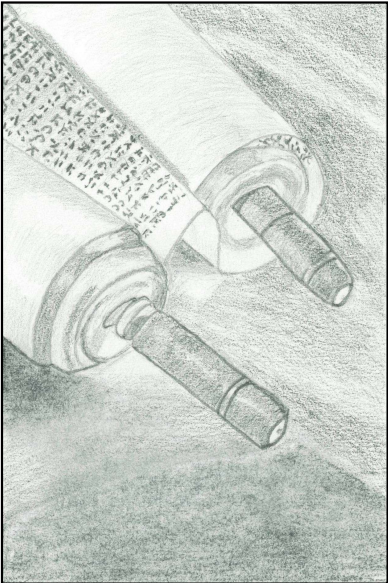

The sequence (direction) is determined by the sign of the Equidistant Letter Sequence (ELS) skip.

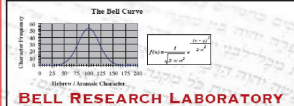

"+" = top to bottom (right to left)

"-" = bottom to top (left to right)

Not all words are necessarily chosen from each verse

Relevant word selection is determined by the context of: 1) encoded message, 2) STR message context must be uniform throughout from beginning to end, 3) context will not conflict with biblical facts/truths

For The Hard-Core Skeptic:

For those that are STILL not convinced that the text of the Bible contains hidden codes and believe that the only letter level inspiration of the holy Bible are the ten commandments. Keeping in mind that the ten commandments were written on two tablets of stone (both sides) were written by God's own finger, thus EACH and EVERY letter was inspired directly from the Lord God Almighty.

As described in the Bible itself: "And the tables were the work of God, and the writing was the writing of God, graven upon the tables." Exodus 32:16 (KJV).

The next matrix runs from Genesis 20:4 to Genesis 20:9. This is in the middle of the ten commandments! Did God write Bible codes? Absolutely! The matrix on the following page is proof of that!

The [RED] STR codes reveal (cont.):

- 13) The Lord asks and/or commands them to work with Him, the king of spiritual Israel, and perform the work needed.

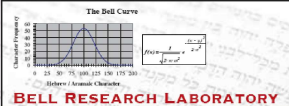

Matrix Comments (mirror of God salt of Jesus)

Another interesting code was found in the Tanakh containing the expression "mirror of God salt of Jesus" as the search term. Looking at what the surface text of the Bible says about the usefulness of salt:

"You are the salt of the earth, but if salt becomes insipid, with what will it be salted? It is good for nothing except to be thrown outside and to be trodden upon by people." Matthew 5:13 (Peshitta)

So, Jesus is stating that if the salt has no flavor, then what use is it. Looking at the additional parallel (intimately related) phrases discovered in the following matrix, the Bible codes are described as the "mirror of God salt of Jesus" and that "he inserted speech of Yah". So, God's words were encoded in the Bible, are present truth, and are to be used to assist in spreading the gospel to the world at the end of time.

Lord of the Code Introduction

The next matrix runs through Genesis 24:10 that describes Moses receiving the Torah on mount Sinai from God. The sapphire stone is described where Moses saw the letters appearing.

At the end of time, we are told that the faces of the holy saints will glow; "...the saints shouted, Glory! Hallelujah! Their countenances were lighted up with the glory of God; and they shone with the glory as Moses' face did when he came down from Sinai. The wicked could not look on them, for the glory."-*Broadside3 - A Vision*, (April 7, 1847)

The code matrix describes the end-time information, sealed by computer, that will be understood during the latter rain. It also describes the facial glow of the saints as well as naming the master encoder as "Lord of the code".

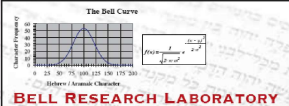

STR Codes - A Solid Footing

Another point regarding the next two matrices is the fact that they describes that the second layer of information extracted from the codes (the STR codes) will be pinned to four pillars and would fit perfectly through the rings of the reveled book of the STR codes.

The saints will put the interpretations together making sure that each message/matrix is firmly tied down on all sides (the four pillars fit into four sockets: 1) Holy Bible, 2) Spirit of Prophecy writings, 3) Established Bible code matrices, 4) Reasonable).

The [PINK] STR codes reveal (cont):

- 4) and the elect of God;
- 5) the messages will come from God (the holy Bible) and by the hand of the prophet (EGW) the work of their hands. NOTE: This is very interesting because it is explaining that the messages will not be able to be interpreted / understood without using the writings from the Spirit of Prophecy. i.e. must have the early rain (understanding of the fundamentals of the Bible and the Spirit of Prophecy) to receive the latter rain (accurate STR code extraction) understanding.
- 6) Those that were called came and
- 7) formed the remnant received the gift of messages along with their inheritance (eternal life).

Mathematical Equations, etc.

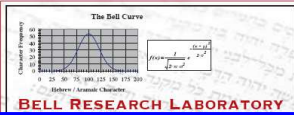

$$P_{[\text{letter}]} = \frac{((\text{Character occurrences})/(\text{Total characters}))}{\sum_{\text{All Letters}} ((\text{Character occurrences})/(\text{Total characters}))}$$

$$P_{[\text{search term}]} = (P_{[\text{1st letter}]} + P_{[\text{2nd letter}]} + \dots + P_{[\text{nth letter}]})$$

$$R_{[\text{search term}]} = \log (1/P_{[\text{search term}]})$$

$$R_{[\text{matrix}]} = \sum (R_{[\text{1st search term}]} + R_{[\text{2nd search term}]} + \dots + R_{[\text{nth search term}]})$$

$$P_{[\text{matrix}]} = 1 / \text{antilog} (R_{[\text{matrix}]})$$

Pre-Study Prayer:

Dear heavenly Father;
we humbly come to you once again to ask for your Holy Spirit to be sent upon us; to provide divine understanding of the messages that have been placed with incalculable effort within your Holy text for us to discover at this point in earth's history. I pray that this knowledge will clarify the path that you, and your heavenly angels, are placing before us to accomplish the goals that are needed in preparation for the eternal kingdom. I pray that this knowledge will also allow us to go forth and participate and know with confidence that we are part of the cure and not a part of the disease. In the name of Jesus Christ, our Lord and savior, we pray these things...Amen!
