

## Code Key For Additional Information?

This next code matrix is VERY special. It describes the way that the additional layer of codes are read. For years the meaning of this code matrix was a mystery until one day it was discovered that the message was talking about the surface text being brought together by the encoded messages themselves. A set of general rules were developed that are summarized on the next two slides. **We knew that we were correct when this technique was applied to the code matrix itself and discovered that the revealed messages describe an amazing sequence of events to follow.**

The encoded phrase; "exposal of code it will pronounce Me" suggests that when this deeper layer of code is revealed, it will be absolutely spectacular; in fact it will "pronounce" God. Indeed it has!

## Surface Text Relevance (STR) Codes

• **Surface Text Relevance Codes**-Text of the Bible, where the encoded letters touch, is topically related to the encoded messages that lie beneath.

- All encoded letters equate/touch a letter somewhere in the surface text of the Bible.
- Surface text is connected with the hidden/encoded text that lies underneath.
- Surface text chapter and verse follow one after another in sequence.

## Surface Text Relevancy (STR) Codes (Cont.)

- The sequence (direction) is determined by the sign of the skip.
  - » "+" = top to bottom (right to left)
  - » "-" = bottom to top (left to right)
- Not all words are necessarily chosen from each verse
  - » Relevant word selection is determined by the context of: 1) encoded message, 2) STR message context must be uniform throughout from beginning to end, 3) context will not conflict with biblical facts/truths

- 5) The servants of the Lord that will come, will provide information as to the path (where to go / what to do) that the people should take.
- 6) This is a reference to the new way (Bible codes) that this additional end time information is coming to the saints at the time of the end. (“In the manifestation of that power which lightens the earth with the glory of God [Revelation 18], they will see only something which in their blindness they think dangerous, something which will arouse their fears, and they will brace themselves to resist it. Because the Lord does not work according to their ideas and expectations they will oppose the work. ‘Why,’ they say, ‘should we not know the Spirit of God, when we have been in the work so many years?’” -*Review and Herald Extra* Dec. 23, 1890)
- 7) The Lord will protect and ultimately save those that hear and understand (the saints).
- 8) This new way of understanding the information will allow them to obtain details beyond the wall to the understanding and turn the corner to understand the secrets of knowledge.
