

# Aerated Compost Tea

Used to boost your soil biology and plant health, Aerated Compost Tea is packed full microbial life. You can direct water it into your plants and trees and/or spray as a foliar spray for your plants to intake.

## Our Recipe

### Ingredients

- 1/2 cup Humic Acid
- 10 cups Compost
- 2 cups Worm Castings
- 1 cup Tony's Magic Mix
- 1/2 cup Liquid Seaweed Kelp
- 1/2 cup Unsulfured Molasses

### Directions

1. Fill Brewer with Water, add Humic Acid and let pump run 1 hour to eliminate Chlorine in water.
2. To the bag add Compost, Worm Castings and Tony's Magic Mix. Attach bag to brewer.
3. Slowly pour in the Liquid Kelp and Molasses to agitating water.
4. Close lid and let pump run 24 hours.
5. Apply to plant and trees within 24 hours of completed cycle.
