

A PARADIGM OF SUCCESS IN INDIAN HOSPITALITY

INDIA'S FINEST LUXURY RESORT

A JIMMY MISTRY DESIGN

WHY WE ARE INTO HOSPITALITY

We at Della Resorts are the forerunners in setting the hospitality trends. We believe we can design unique resorts and support them with deeply instilled ethics of personal services. We have set benchmarks in hospitality by creating affordable luxury.

WHAT WE DO TO MAKE A DIFFERENCE

We think differently by challenging the status quo of conventional hospitality standards by inspiring a lifetime of rare experiences. We truly stand firm in believing that luxury is about creating something rare, something new and true. Our design sensibilities are unique and different. We keep thinking what will touch a chord in the hearts of our guest.

HOW WE DO IT

Della Resorts success story is all about the conviction of our Founder Jimmy Mistry & his winning team. We succeed when every decision is based on a clear understanding. Every employee is given a sense of purpose and feeling that they are helping to build a company that they can take pride in.

Della Luxury Resort

43 spacious 400 sq.ft. rooms, flanking the commanding 200 ft. centre body of sapphire blue water. The expansive resort property is regal yet subtle, elegant yet dramatic and imposing yet inviting. The refined exterior is contrasted with modern eclectic interiors resulting in a striking combination. Teak stone, chester and onyx highlights have been consistently used throughout the resort to create a signature look while the color palate is that of earthy tones accentuated by pops of red for a touch of gloss. Each room is furnished with king size or twin beds, a spacious well-appointed bathroom complete with a in-bathroom TV, walk-in closets, a stand alone chromotherapy jacuzzi with a heated back.

Camp Della Resort

"Nature has been for me, for as long as I remember; a source of solace, inspiration, adventure, and delight; a home, a teacher, a companion." - Anderson

It is as though these very words above come alive at Camp Della, 30 super luxury air-conditioned contemporary designed tents offer a stunning experience with a mesmeric view from the crest of a hilltop. Each tent is a luxury room by any standard: amenities include a king size bed, a jacuzzi with rain shower, and a private patio to take full advantage of the spectacular views.

24 Hour Philosophy

Innovation and Hospitality our way

In today's time most of us are frequent travelers in India & abroad, what we fail to understand is why hotels & resorts across the world shut their fine dining restaurants, swimming pools, spa's and other recreational areas by mid night or even earlier.

At Della, we resolved to change this and came with our unique approach to resort luxury which was to extend the experiences for 24 Hours.

Here we have dedicated an entire building
'24 HOUR HUB' catering to:
