

THE COMPLETE NAIL TECH PROGRAM

THE
Core 4

MODULE 1 - LAC IT!

MODULE 2 - CBS

**MODULE 3 - THE
PREMIUM COLLECTION**

MODULE 4 - SIMPLY

30 HOURS EACH
120 HOURS TOTAL

Module 1 - Lac it!

Every new technician will start here learning the basics of natural nail care and gel polish application.

En Vogue's gel polish technique, product, and "9 Free" commitment ensures long-lasting results and truly healthy nails. These qualities in a simple service will make you a true professional, even if this is as far as your nail journey goes.

WHAT YOU'LL LEARN:

- Natural nail knowledge & shaping
- Nail anatomy & disorders
- Sanitization & hygiene
- Prep work, gel polish application, & removal
- Techniques to make your work is flawless, superior, & long-lasting
- Basic nail art

Module 2 - CBS

Known as “builder in a bottle” - this is a tech favourite and a warm welcome for new technicians.

Given its easy application from a polish-like brush & bottle, the CBS module is a beautiful introduction to gels.

This course will fast-track your technical skills in hard gels as well as provide a new level of efficiency in the salon. This course is essential in the understanding and movement of hard gels in the Premium line.

WHAT YOU'LL LEARN:

- In-depth understanding & application of Connect, Build, Shine
- Intro to gel; getting comfortable moving gel
- Intro to extensions
- Intro to forms & tips

Module 3 - Premium

This module will ensure you're a sought-after technician with a long-lasting clientele due to your limitless skillset and en Vogue's superior quality.

Completing this course will set you apart from the rest, making you exclusive to the most elite level of training in the gel world.

Mastering various shapes, lengths, forms and rebalancing techniques are just some of the many skills you will learn in this module.

WHAT YOU'LL LEARN:

- Product knowledge of the Premium collection
- Mastering forms
- Moving gel with confidence
- Full sets, French sets, intro to fills
- Troubleshooting difficult nails & lifting
- All things shaping

Module 4 - Simply

Welcome to the Simply line!

This user-friendly line is a success in salons around the world due to its ease to learn and time-saving qualities. Complete the quickest fills ever with Simply's diverse collection of self-leveling gels. After all, time is money!

No matter the service, the Simply line has you simply covered.

WHAT YOU'LL LEARN:

- Simply application & product knowledge
- Simply fills & overlays
- Simply tips & extensions
- Salon efficiency with Simply
- Intro to Simply colour gels & glitters
