“Sharing God’s love in tangible ways with the Honduran People”

“Lord, when was it that we saw you hungry and gave you food, or thirsty and gave you something to drink?... And when was it that we saw you sick or in prison and visited you? And [Jesus] will answer..., ‘Truly I tell you, just as you did it to one of the least of these... you did it to me.’”

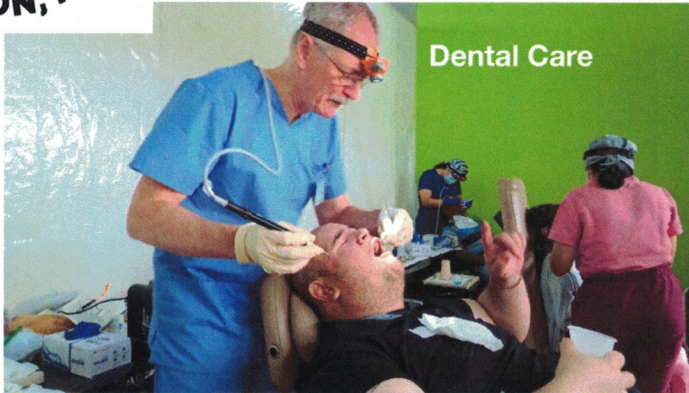

- Matthew 25:37-40

You helped us change lives. From February 3-11 twenty North Americans partnered with about twenty -five Hondurans to provide medicines and the other items, such as 87 pairs of eyeglasses, 290 pairs of reading glasses, 550 water filters, 250 feminine hygiene kits and 500 Bibles to the poorest of the poor in La villa de San Francisco, Honduras and five surrounding communities. In this our nineteenth year of providing care to the poor in Honduras, the Honduras Hope Mission Team saw a total of 1,701 medical patients, did 112 vision exams, pulled 131 teeth and did 195 cleanings during their eight day trip. Most of the folks who come to the clinics are treated for respiratory and/or gastrointestinal issues. These result from cooking with poorly vented wood stoves, and drinking parasite-infested water. But there are also many folks with chronic illnesses such as diabetes, high blood pressure and arthritis. All receive compassionate care, provided in the name of Jesus Christ. We wish to thank all of our individual donors and prayer partners, supporting churches & Rotary Clubs, as well as our ministry partners - Ingomar Living Waters Ministry, MAP International, Global Links, Mission Vision and the two women, Jean Drumheller and Millie Mills who sewed all the women’s hygiene kits. They have provided us with thousands of dollars worth of medical supplies and equipment. The 2024 Honduras Hope Mission Team shared the Gospel in word and deed and made a difference in peoples’ lives - all of which was only possible due to your support. **For more information, please follow Honduras Hope Mission on Facebook, www.hondurashopemission.org, or contact us at Honduras Hope Mission, P.O.
