Request Outcome 1 X Animal Impounded

Outcome Notes Arrived at the address and was contacted by SPD Officer. She stated there was only one person a minor that was bit. He was sitting in the AMR Amb. with the other minors in the home. Contacted the eldest minor. She stated the dark colored dogs got into a fight and the vic placed his hand in the middle of the fight. I entered the home to check the conditions of the dogs with SPD. Dogs had minor injuries but were no longer fighting. Exited the home and the eldest minor started to worry about the dogs fighting again. I entered the home again and moved Diesel to another bed room. Mother of the minors arrived and was advised of the incident. Tried contacting the DO to advised Diesel was taken to shelter for bite quart. Provoked bite as the bite happened breaking up a dog fight.
