	12/7/2018 5:50 PM	Do came in to pick up an adopted cat and was asking about Millie. They would like to have stomach tack done during the spay, our vets are not comfortable doing it so the adopter will be taking the dog to their own vet and will cover the extra costs. They will get the proof of spay sent to scraps when that is done. They go to fairwood animal hospital. Canceled DS for 1/07/18						AMELENEY
