

Senior Operator - Water Filtration Plant

\$27.33/hr - \$42.28/hr

Avon Lake Regional Water is seeking a highly motivated Professional Operator for the position of full-time Senior Operator at the Water Filtration Plant. This position will be mid-management and does act as a backup relief operator when the existing relief operator is unavailable or already covering adjoining shifts. Under direct supervision from the Manager of the Treatment Plant to which he/she is assigned, the Senior Operator will be responsible for plant operations and additional duties as assigned. The Senior Operator is responsible for selection and adjustments to plant operation during his/her shift to optimize plant operations. When on evening and night shift, he/she is in primary charge of plant operations; similarly, for the day shift on weekends and/or holidays. The Senior Operator may be required to be in responsible charge during a Plant Manager's absence. Minimum Ohio EPA Class III Water Supply Operator license required. Note: Senior Operator standard shift is 0800-1630 Mon through Fri – and – Operator standard shift (when covering as backup relief) is non-rotating 12-hour shift.
