DIVISION	Service	DEPARTMENT	Water
OPENING DATE	09/19/2022	CLOSING DATE	Continuous

Description

This position performs work related to the installation, maintenance, cleaning and repair of storm and sanitary sewer facilities and the Water Distribution System for the City of Cuyahoga Falls.

Examples of Duties

Makes various sizes of service taps using tapping machine or air-compressor and boring machine.

Locates and repairs main breaks by attaching repair fittings or by replacing the damaged section, backfilling, and tamping dirt.

Connects services from main to property.

Repairs, straightens or replaces fire hydrants and connections.

Replaces worn or defective valve parts and boxes.

Installs water mains, fire hydrants, and valves.

Locates and maintains all curb valves for property owners.

Guides the backhoe operator in proximity of gas mains, electrical lines, or other equipment subject to damage.

Backfills all holes and maintains the temporary patches on roadways.

Cleans sanitary sewers using hand rods, power rodder, bucket machines, or Vactor.

Cleans storm sewers with the Vactor and catch basins with the VacAll.

Locates and repairs storm or sanitary sewers and laterals by removing broken pieces or sections, installing and cementing in place new sections, backfilling, and tamping dirt.

Inspects storm sewers for breaks or leaks.

Installs storm and sanitary sewers.

Performs related duties, such as cleaning out pumping stations, siphone or manholes.

Guides backhoe operator in proximity of gas mains, electric lines, or other equipment subject to damage.

Backfills all holes and maintains the temporary patches on roadways.

Uses a variety of hand tools and operates power tools and equipment.

Drives dump or pickup truck.

Rakes leaves and operates Vactor or VacAll tube during the City Leaf Pickup Program.

Typical Qualifications

High school diploma or GED equivalent is required. Qualified applicants must have some experience in water distribution work. Experience or training in storm and sanitary sewer work is also preferred. Or, any combination of education and experience that provides the required knowledge, skills and abilities.

Must have Class A Commercial Driver's License (CDL) and the ability to maintain continuing eligibility under the City's driver eligibility standards.

Supplemental Information

This position has great potential for advancement. It is an AFSCME union position with exceptional benefits.
