Summary of Responsibilities:

Under general supervision performs work of moderate difficulty in skillfully and safely operating a variety of heavy motorized equipment; operation requires a relatively high level of manipulative skill involving difficult problems of operation; performs related work as required.

Essential Duties:

- Hauls and drives equipment, crew and materials to and from work areas; assists in setting up operations.
- Operates and maintains skid loader with various attachments, mini loader with various attachments, large loader with various attachments, backhoe, large grader, excavator used for excavation (not demolition), directional boring machine, track dozer, track loader, semi-tractor with dump trailer, semi-tractor with flat trailer, stone chipper, larger asphalt roller to remove, replace, compact and finish asphalt and concrete for street operations.
- Operates sewer jet rodder machines, drag machines, heavy vacuum equipment, front-end loader and boom trucks for sewer operations (this does not include operating boom truck in a manner that requires a certified crane operator).
- Operates a variety of trucks and other equipment for leaf and snow removal and ice control operations.
- Drives and operates other equipment as directed; inspects tools and equipment before, during and after operation.
- Performs pre-trip inspections, cleaning, and preventive maintenance and makes minor adjustments and repairs on equipment when necessary.
- Reads street maps and related atlases to determine various locations.
- Works with and/or directs crew of lower class at work site; completes daily destination log and other related forms as required.
- Assist in the maintenance and repair of division operations.

Required Qualifications:

- Must be able to read at the tenth (10th) grade reading level.
- Three (3) years of experience in the operation of heavy maintenance and construction equipment must successfully pass required skills test for the position to be eligible for selection.

Additional Requirements:

- Must possess a valid state-issued Class A Commercial Driver's License (CDL)

Physical Demands:

The physical demands described within this job description must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

In this position, the employee will frequently stand. This employee will occasionally walk, sit, stand, lift, push, pull, drag and/or carry up to 50 pounds. The employee will constantly walk-in all-weather conditions. Occasional stooping and crouching may occur with this position. Speaking and listening are constant essential functions of this position.
