

The Paul Gordon Magic Lecture

For Your Magic Club, Society and/or Convention

Since 1987, The Paul Gordon Close-up Magic Lecture has travelled the world. Paul has lectured at Tannen's Jubilee, Fechter's Finger Flicking Frolics (4Fs), Penguin Live, Murphy's At The Table, The Magic Circle (4 times), Monaco Stars of Magic, The Close-Up Symposium, Blackpool and in Ireland, Belgium, Denmark, Italy, Sweden, Spain, Israel, France, Germany & more.

The lecture is about commercial and doable worker card magic; magic from Paul's professional repertoire and best-selling Gold Dust Trilogy, Quidnunc and Article 52 Books and DVDs. It's a fun light-hearted lecture for both cardmen and non cardmen alike and is very popular.

It is rare to see a magician who can entertain an audience that much with just a deck of cards. Paul Gordon's lectures & shows are as funny as the magic he performs is strong. And his tricks are all very powerful effects.

BORIS WILD

Your depth of experience and passion for the art came shining through. It's all smart and practical, and you present it all brilliantly.

Paul Gordon held some fifty people enthralled. His command is phenomenal. Such is his showmanship and personality power that he makes card magic entertaining and meaningful. He has them hanging onto his every word. He has all the attack of a Ken Brooke or a Rovi. Watch his DVDs to see how card magic should be performed.
