

TEE IT UP

October 2020

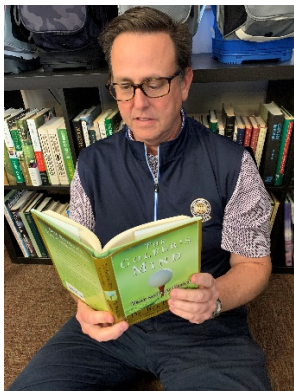

Welcome to the first LASJGC 2020-2021 Newsletter. I hope to send these out to our membership as a way of staying informed of things going on within our club, within the golf course, and within the general golf community. Jane V

As Ben Hogan says, "The most important shot in golf is the next one."

A big thanks to Lorie Burningham and Margaret Padgett, our Tournament Chairs. They have done a marvelous job of choosing fun games for Thursday, while still allowing for players to post scores and work on improving their handicap. Sign ups for both Tuesday and Thursday are available on the website, as well as lists of those who have signed up for both days.

Lenore Allen reports that the MEMBERSHIP DIRECTORY is being finalized and will be available to everyone on the website by the end of October.

NEW GOLF LIBRARY: Wes and Tommy have provided all golfers with a library of golf books and resources. The books are displayed in the front corner of the Pro Shop and may be borrowed as you like. Books may also be donated. No sign outs necessary. Just return them when finished and try another!

Effective Wednesday, October 21, the course is reinstating a charge for single cart usage. The fee will be \$10.

Check out our new photo album in the ladies locker room! A shelf has been installed by the back bulletin board where an album of some of our group photos will be displayed.

I ENCOURAGE EVERYONE to participate in our own

LASJGC

LADIES GOLF CLINIC

FOCUS ON YOUR SHORT GAME

WITH WES, TOMMY AND BEA

November 4, 2020

10:30 – 11:30 am

\$10

Meet at the chipping area

Sign up by Friday, October 30 on the LASJGC website or in the locker room

Those who are interested may meet for lunch afterward at Late Risers.

If anyone has fun photos of some of our members during tournament play or at the golf course, please send them to Jane Veling (pandjveling@gmail.com) so they can be shared in the next newsletter.

NO MORE PILES OF GRASS IN THE TRUNKS OF OUR CARS!! Look for the golf shoe and club cleaner/blower to be once again available for use. It will be cleaned at the beginning and end of day, but please feel free to use your own sanitizing wipes before using.
