Notes from our President - Jenny Little

Hello Trailriders,

Hard to believe we have arrived to the end of the 2023 ATV season! We've made the best of the season despite all of the challenges we've faced. The club has pulled off some fantastic rides, work parties, and events over the last year and it's all thanks to the volunteers, so thank you to the members for stepping up. I would also like to thank our landowners for their continued support this year. Without our generous landowners and our superior members Topsham Trailriders would not be what it is today! I've said it before but I'll say it again – Topsham Trailriders is an outstanding group and no one would be disappointed joining us.

As we enter into the snowmobile season, I'd like to share with you that both our meeting location and meeting day will be changing temporarily during the winter months. The changes will go into effect beginning November of 2023 and will continue until the end of March 2024. Rather than meeting on the last Monday of the month we will be meeting on the last Tuesday of the month. Our temporary meeting location will be in the community room in the Topsham Public Library. The address for the Topsham Public Library is 25 Foreside Road. If you would like to mark your calendars the monthly meeting dates will be: Tuesday, November 28th, Tuesday, January 30th, Tuesday, February 27th and Tuesday, March 26th. We hope you will be able to join us during these meetings to help plan for our 25th year of Topsham Trailriders!

Hope see you on the trails!

Jenny

DRIVE SAFELY ON TRAILS

The 2023 riding season is quickly coming to end and what a great one we had despite the rainy weather! Topsham certainly did our best to make the best of the best of the season and we rode all over the State of Maine and on occasion we had a ride without rain. Believe it or not we are already exploring new areas for our 2024 riding season including the return of riding in New Hampshire. Topsham will continue to have a couple of local rides but we will continue to adventure out to new areas. If you have any suggestions that you would like us to consider please contact Michael Little, Ride Coordinator, for Topsham Trailriders at 207-522-3780.

Trailmaster and Ride Coordinator had the opportunity to take a special guest around the entire Topsham trail system earlier this month. Thank you to Charlie and Mike for making the time to take Brett around! We know that our Regional Trails Coordinator Brett appreciated it!
