1. The pool and deck are for exclusive use of Greene homeowners and residents whose dues are current. Homeowners whose dues are delinquent for two or more months will have their gate code deactivated and denied access to the pool until their account is brought current. Lease tenants will be denied use if the Landlord's dues are delinquent.
2. ALL PERSONS SWIM AT THEIR OWN RISK. PARENTS ARE EXPECTED TO SUPERVISE THEIR CHILDREN. CHILDREN AGE 12 AND UNDER MUST BE ACCOMPANIED BY AN ADULT (16 YEARS OF AGE OR OLDER).
3. SUMMER POOL HOURS: 7:00AM to 10:00PM
4. EMERGENCY CALL BOX: In case of an emergency, call 911. A RED EMERGENCY CALL BOX IS LOCATED ON THE CLUBHOUSE, WEST FRONT CORNER, AND NEAR THE BATHROOM ENTRY. A FIRST AID KIT IS LOCATED IN THE MEN'S BATHROOM. Parents, discuss with your children the purpose and proper use of the emergency call box and first aid.
5. **POOL KEYS:** Each resident household will be **issued one (1) key** at the cost of **Three Dollars (\$3.00)**. A pool pass bearing the household's adults' names, address, and telephone number(s) will be attached to the key. When you come to the pool, bring your key with pass attached and hang it on the board provided next to the gate. When you leave, be sure to take your pass/key with you. The purpose of the pool passes is (1) to assist us in getting to know our neighbors, (2) to provide contact information in case of emergency, and (3) to assist in identifying trespassers. Pool passes left on the board at the end of the day will be collected and returned when contact occurs with the resident. Each **replacement key** will cost the homeowner **ten dollars (\$10.00)**.
6. **TRESPASSERS:** We frequently have trouble with trespassers, especially at the beginning of pool season. If you observe persons using the pool whom you do not know, please do not be shy about asking who they are and where they live. All pool users should have at least one pool pass. If you determine that there is probable cause to believe that one or more persons are trespassing in the pool, CALL 911 and ask for police assistance. You may use the red emergency call box to call the police if you do not have a cell phone. Please remain near the area in order to identify the suspected trespassers to the police.
7. **GUESTS:** Members whose dues are current are allowed a maximum of six (6) non-resident, non-family members in the pool area at one time. When a non-resident family member (parents, grandparents, brothers, sisters, in-laws, and grandchildren) accompanies you to the pool, make sure they carry one of your family pool passes.
