**TO: SUPERVISOR AND BOARD OF TRUSTEES**  
**FROM: NELSON J. CANNON, CHIEF OF POLICE**  
**SUBJECT: ADMINISTRATIVE REPORT SINCE MARCH 2024 MEETING**  
**DATE: APRIL 10, 2024**

Deputy Chief Bogumil and myself took some time off in March resulting in a Monthly Report that's a little light on activity; this coincides with one of our slow down between Winter and Spring. We also take care of much of the years annual training requirements during this period.

Closed out our 2023-24 DNR Snowmobile grants and submitted the reports for reimbursement. I know this rarely happens, but this was one of the worst years for snowmobiling. If this type of winter weather continues, there will be no snowmobile season in Northern Michigan.

Taffeltown conducted two Special Events in March; a St. Patricks Day and an Easter Dinner. Both were well planned, conducted and-attended. Their next event will be around the opening of Trout Season later this month. They have revamped outdoor service areas behind the restaurant is nearing completion; this will be a great addition.

While the neighborhood jumped the gun on removing the Detour Signs for the Angell Bridge, the Fire Chief and I are officially meeting with the Project Coordinator this weekend to make sure all the safety concerns are resolved.
