HEADS' CORNER

Dear Parents/Carers,

As we move towards the end of the year, things at Underhill are showing no sign of slowing down.

On Monday, during our INSET day, all staff were working hard to further develop the Underhill curriculum for next year, as well as receiving refresher training on Zones of Regulation and Emotion Coaching. These are two strategies we use in school to support children to understand their emotions and empower them to recognise when they may need help with these. Thank you to Ms York for these sessions.

On Tuesday we received the year 6 SATs results and we couldn't be more proud of the children. Despite the huge disruption to their education, they have done incredibly well and exceeded our already high expectations of them. Their individual results will be sent home with their end of year reports before the end of term.

On Wednesday we competed in the Barnet athletics competition at Stone X stadium. We couldn't be more proud of all the children who represented Underhill. They approached the day as a team; supporting each other, cheering on other schools and had a brilliant time! We ended the day 4th out of 17 schools which is a fantastic achievement. Thank you to all the parents and carers who came along to support team Underhill and to Ms Sidney, Mr Dale and Jenny for all their hard work!

On Thursday evening we had our first PTA AGM in a long time. It was well attended and we are thrilled that Luisa Stock and Anna Stephenson-Reade have been voted as the Co-chairs. Watch out for communication from them; they are determined to hit the ground running! The next meeting will be at the start of the new school year and will be an opportunity to plan out a calendar of events to raise money for the school while giving the children a variety of fun events to attend! Thank you to Kate Woods for organising the PTA up to this point.

Have a lovely weekend,

Nicola Hayles and Jennie Reed

NOTICES AND NEWS

YEAR 6 RESIDENTIAL TRIP

Year 6 children had the most incredible time last week on their residential visit to WildChild Adventures in Phasel's Wood. Children spent the week camping out in the forest developing their survival skills and knowledge of nature. Bushcraft activities saw children learning how to make fire and designing and building their own shelters to protect them from the elements. Children also became well acquainted with the variety of plant and animal life in the British countryside, identifying both edible and poisonous species by feature, recognising birds in flight by their silhouette and learning a number of uses for the wood, bark and leaves of different tree species.

Alongside this environmental education, children participated in a number of adventurous activities. Many overcame a fear of heights through abseiling and rock climbing, whilst the need for speed was sated on a toboggan run. The subterranean world was explored as children went on a number of potholing routes through the site and children's accuracy and focus was tested in an archery competition.

Throughout the week, the children were an absolute credit to Underhill, throwing themselves fully into new challenges and experiences and demonstrating an impressive adaptability and resilience. One aspect which was particularly noted by the WildChild instructors was how encouraging and supportive the children were of one another throughout all the activities. Any time there was a moment of nervousness, perhaps at the top of the climbing wall or at a tricky point in the cave system, other children would be on hand to offer empathy and motivation.

The trip concluded with a talent show around the campfire, where the children got to show off their range of skills. The sheer variety of talents on display was dazzling, with singing, dancing, sports, comedy and magic tricks all being showcased. It was a brilliant end to a fantastic week away and a brilliant example of how much talent Underhill holds.

The maturity and zeal which Year 6 have shown on this trip show that they are absolutely ready to face the challenges of secondary school. They should feel very proud of themselves indeed.
