HEADS' CORNER

Dear Parents and Carers,

We hope you all had a fantastic holiday; it has been great to see you all again and the children have returned refreshed and positive and ready to learn!

We had a lovely day on Monday celebrating Eid at school. Eid Mubarak to all our families who were celebrating last week. We hope you all had a wonderful time with your friends and families.

We have been celebrating Capable April at school and the children have been really focusing on being confident in their abilities and thinking about the skills and knowledge that they have and how capable they are to succeed. We have been giving out lots of pink stickers to children showing their capability!

We have been doing lots of work on the library and hopefully it will be back open in a couple of weeks. Thank you for your patience; we can't wait for the children to be back borrowing books from our new and improved library!

We hope you all have a wonderful bank holiday weekend!

Best wishes,

Jennie Reed and Nicola Hayles
Co-Headteachers

Looking to give back to your community? Volunteer with us!

As a Home-Start volunteer, you will make a direct difference to a family's life. Your support will help parents regain their confidence and increase a child's chances of growing up happier and healthier. By spending time with a family for 3 hours a week in their own home, you will be directly improving the lives of families and children across the UK. You might not think it, but your lived experience, your unique background and the languages you speak, will hugely benefit the families we support!

Who Are We? We believe the earliest years make the biggest impact and we make sure no child's future is limited. We support families in Barnet, Brent, Enfield, Harrow and Tower Hamlets facing issues such as loneliness, isolation, financial difficulties, anxiety, post-natal depress, ill-health, threat of violence or disabilities. Since opening in 1997, we have helped over 3,500 families (more than 7,000) children. We are there when parents need us the most.

If you have the following time and skills, we would love you to join the team:

- A can-do attitude
- Good listening skills
- Experience with children
- The ability to have a non-judgmental approach
- The capacity to commit to three hours every week for at least a year.
- Languages currently needed: Albanian, Arabic, Syrian Arabic, Farsi, Dari, Bengali, Pashto, British Sign Language.

What do we offer?

- An opportunity to help families who are struggling with the challenges that come from raising children.
- Comprehensive preparatory training, providing you with the tools and confidence to work with our families in their homes.
- Ongoing support throughout your volunteer journey with us, including regular supervision, further training opportunities, and regular support meetings with the rest of the team.
