Be Curious

Be Caring

Be Confident

Be Cooperative

HEADS' CORNER

Last week we had such a brilliant time at Underhill. Having our classrooms full again is fantastic and we are continuing to take every precaution to make Underhill as safe as possible. This will hopefully mean we don't have to close any year group bubbles. Thank you for all your support in following the school risk assessment; by wearing masks on the premises, remaining socially distanced in the playgrounds and following the one way systems.

We are so excited about the launch of the Underhill Sports Centre. This is being run by Alex, one of our Year 5 teachers and we can't wait for you to enjoy all the fun activities his team has planned! We feel very lucky that the Underhill community has the opportunity to access such a brilliant sports club and we would love it if you could check out the website linked below to find out more! We hope that lots of families can sign up for this but please be aware that spaces are limited.

Attendance last week was fantastic and we hope that these high levels will continue. The children have missed so much school over the past year so please do ensure that you bring your children in to school every day, on time unless they are too ill to attend. Please be mindful however that if they display any Covid 19 symptoms, they must isolate until they have received a negative test result. If you are unsure, please contact the school office who will be able to advise you.

Don't forget to book your Parents' Evening appointments for next week. If you need another letter about this, please contact the office. The meetings will be a really good opportunity to discuss how your children managed during lockdown and also for teachers to let you know how they have settled back into school. You will also have the opportunity to discuss any concerns you may have.

We hope you have a great week,

Nicola Hayles and Jennie Reed

MAYS LANE COMMUNITY TEAM

Mays Lane Community Team are a newly formed group of volunteers who live on Mays Lane and the immediate surrounding area. They are committed to community development, our local residents and businesses and making the Mays Lane area a pleasant place for all.

Their first project was to try and tackle the fly tipping around the Traid and YMCA clothes bins. As you may already be aware, rubbish was scattered around the bins and all over the pavement. On Sunday 7th March they picked it all up and put it in bin bags ready for the council collection. Unfortunately in less than 24 hours it was all over the pavement again. They have put pressure on the council to both clear it up and remove the bins completely.
