HEADS' CORNER

Hi everyone,

What a weekend of football we had! We hope you enjoyed watching the quarter final matches and are ready for the semis! Children can wear red and white to school on Wednesday if they would like to support England as they head into their match with Denmark.

Last week we told you about the three new teachers who are joining us in September. Kate Lawson will be joining us as lower key stage 2 lead as Jaime Johal will be leaving Underhill at the end of the year. We are sure you will join us in wishing him the very best of luck at his new school; he will certainly be missed.

With two and a half weeks left of this year, we want to remind you to keep reading and ticking your FRED (families reading every day) book marks. We have totalled 25,715 reads so far, which means that we are really close to our 'YES day'. It would be brilliant if we could reach our goal before the end of term!

We were so proud of all the children during 'Join together June' when we focused on our school values of '**Be Caring**' and '**Be Cooperative**'. We have now moved into 'Flying high in July'. We will be thinking about all the children's amazing achievements this year and how they can support them to start September really positively.

We hope you have a great week,

Nicola Hayles and Jennie Reed

NOTICES AND NEWS

YEAR 6 ROAD SAFETY

It's a jungle out there! Stay safe on the roads when you move up to secondary school - free animation and download.

So, you're moving from primary school to secondary school? Wow, it's like opening a door to a whole new world! New lessons. New teachers. New friends. And new journeys too! Different streets, roads and crossings. You might even be heading to and from school without an adult for the first time.

There might be more distractions - such as your phone, friends or thinking about school and homework. You might be making your new journey by bus, bicycle or even by train. Most likely it will be a longer journey than you are used to with busier roads and in the rush hour.

There's a new animation created just for you which talks about staying safe on the road. There's also a free guidebook to download which gives you loads of road safety tips and advice.

Most importantly, talk to a parent or guardian about planning a safe route to secondary school and how to stay safe on the road because **it's a jungle out there!**

Click this link to see the animation and download your guidebook: itsajungleoutthere.info
