### What can I do to help my child?

Please **make sure your child is in school that week and that they arrive on time.** Please also ensure that they get a good night's sleep during the week and provide them with a healthy snack (bananas are recommended) for break time.

### What will happen on the day?

We are inviting all children to **arrive at school at 8:15am.** This is so we can all start the day in a relaxed manner by having breakfast together. We will provide breakfast and you do not have to bring anything. If you would rather have breakfast at home, your child needs to be in school by 9am to register as normal.

Children will start the exams at approximately 9:30 am. They will work in small groups and will be supervised by school staff they are familiar and comfortable with.

In the afternoon we will revise for the next day's test.

Your children are well prepared for their SATs and have nothing to be worried about. However, if your child is anxious, please come and speak to us so we can help.

Kind regards,  
Year 6 Team.
