OXFORD HOUSES

Please visit <https://www.oxfordvacancies.com/> for the most up to date vacancy information.

A representative of every House in the area meets with the others on a monthly basis, to share information, to seek resolution of problems in a particular House, and to express that Chapter's vote on larger issues. Residents pay rent, utility and other household expenses of Oxford Houses. They are self-supporting and drug free homes as part of a larger nationwide nonprofit organization.
