

Dear Cubbies' Parents,

I want to thank each of you for entrusting us with the privilege of teaching your child about God. Every Sunday at AWANA we share specific truths/verses from God's word. We would like for you to reinforce those truths/verses at home throughout the week with your child.

Your child will receive a Honeycomb Workbook. Each week there will be a lesson for you to read with them. I have listed the dates and what pages to read each week below. The lessons in the Appleseed Workbook will reiterate the lessons we teach at AWANA.

This is a precious time to instill biblical values in our children's hearts while enjoying quality time together. We are praying for your child and for your family too!
