Michael:

I would like to take the opportunity to thank you for all did helping me with at my man cave at 37 Enterprise Drive. You went above and beyond normal customer service, were always attentive to my needs and I would like to express my appreciation – today's society is in such a rush, most people in customer service are usually not pleasant – Thank you for being a stellar gentleman - your company is one I will recommend over and over again. Your company is like one big family, your drivers were always so courteous and friendly and it was a pleasure doing business with you.

If there is ever anything I can do for you, please let me know.

Thanks again.
